**BACHELOR OF FINE ARTS IN PERFORMANCE PRODUCTION**

# Explore experience design for live performances.

Unique in Canada for its comprehensive approach, the Performance Production program explores all core topics related to live entertainment design and production from concept to public presentation, including digital production, design applications, production management, publicity and marketing.

You'll build the technical, creative, and leadership skills necessary to produce large-scale productions including plays, musicals, dance shows, AR/VR immersive experiences, large-scale events, community-engaged artistic projects and more. Explore all facets of production design, including costume, scenery, lighting, digital media, and sound, while gaining hands-on experience participating in live shows and industry collaborations.

## INTENSIVE PROFESSIONAL TRAINING

With 20% of time spent in lectures and 80% spent in studio, no other school in Canada offers such an intensive hands-on training program with a university degree. You'll study in dedicated facilities including the proscenium stage, black box theatre, rehearsal halls, dance studios, light and sound lab, scene shop, and costume workshops.

## INNOVATIVE CURRICULUM

Learn the fundamental skills required to create live entertainment and apply those skills by working on public-facing productions. In the first two years, you'll be introduced to the multidisciplinary and collaborative nature of production work. You'll concentrate on specific areas of interest in your third and fourth years and broaden your understanding of live entertainment through business and management courses.

## LIVE PRODUCTIONS

Hone your production skills through frequent live productions in the heart of Canada's entertainment hub; you'll be encouraged to learn multiple roles to diversify your skills. Work with internationally acclaimed guest artists, directors, designers, and professional companies. Immerse yourself in the performing arts and attend live events across the city of Toronto.

## INDUSTRY COLLABORATION

Access a unique opportunity to collaborate with industry professionals to bring theatrical performances and live shows to life, honing your skills in experience design and production.

## THE FACULTY

World-class producers, modern technologists, and professional designers provide you with unparalleled education and links to industry connections and networks, further training opportunities, jobs, and mentorship.

# You Belong Here

---

As a Performance Production student, you'll be part of The Creative School, a dynamic faculty offering 27 degree programs in media, design, and creative industries that are shaping the future of their fields. As a disrupter in innovative education, The Creative School is where you come to learn, transform and reimagine everything you thought was creative. Through countless transdisciplinary opportunities, you'll become a leader in creative innovation who disrupts the conventions of your profession and expands what is possible. At The Creative School, students enjoy a global experience in the heart of downtown Toronto, developing their talents to emerge as some of the most in demand and employable graduates anywhere.
