

APPLICATION TO GRADUATE – CANCELLATION FORM

If you are or will be eligible to graduate but wish to cancel your application to graduate and delay graduation, you must complete this form, make a copy for your records, and submit original to the Office of Enrollment Services and Student Fees (POD-64) before the appropriate deadline. See www.ryerson.ca/calendar for deadline dates.

I wish to cancel my application to graduate for the following Convocation (select one):

Spring Year

Fall Year

I understand that I must reapply and pay all applicable fees within the appropriate deadlines to be considered for any future graduation(s).

I also understand that if I have applied to graduate from more than one program (e.g., a degree and a certificate), I must fill out a separate form for each in order to cancel both applications.
