

1. SUPPLEMENTARY ADMISSION DATA FORM

Please fill out the attached Physics (in the field of Biomedical Physics) Supplementary Admission Data Form which can be used for either the MSc or the PhD program.

2. LETTERS OF RECOMMENDATION

A minimum of two *Letters of Recommendation* are required for each application.

The two recommendations should be from academic referees – former professors or research supervisors familiar with applicant’s abilities. One recommendation may be substituted with a professional letter from a previous employer.

IMPORTANT!

A new online referee portal is now available for the fall 2012 session. You will be asked to complete the referee page on the online application form with their contact information including an active institution e-mail address. Your referee will be contacted electronically within 5-7 business days of your application submission with further instructions.

Reference letters are a key component of your application package and a close attention must be paid prior to selecting a referee. It is also your responsibility to contact the referee before filling out the online application form to confirm their availability.

Please note that we reserve the right to contact your referees at any stage during the application process.

3. STATEMENT OF INTEREST

You are required to submit a brief statement (about 500 words in length) that should address the following:

- your reasons for graduate study in Physics;
- the research interest(s) you may wish to pursue in your thesis;
- how your previous studies and experience have prepared you for the program; and
- your career objectives and how this degree program relates to them.

Please note: Your research interests will be examined by faculty to determine whether they are willing to serve as your supervisor.

4. CURRICULUM VITAE

Please submit a curriculum vitae detailing your education, work experience, technical skills, awards and publications along with your application.

5. APPLICATION CHECKLIST (# OF COPIES REQUIRED TO SUBMIT)

Please submit all required items in one package.

- Hard copy printout of your signed online application form in pdf format. (2 copies)
- Supplementary Admission Data Form (2 copies)
- Statement of Interest (2 copies)
- Curriculum Vitae (2 copies)
- Two Letters of Recommendation (*referees will be contacted by Ryerson upon submission of the online application form*)
- All Official Transcripts (2 official copies), *Hard copies not required ONLY if an official transcript(s) from an Ontario university was requested through the online OUAC application form.*
- English Proficiency Test Score (if applicable)
- Write “*Physics - MSc or Physics - PhD*” on the outside of your application package

Important: Incomplete applications will **NOT** be processed. It is the responsibility of the applicant to ensure that all required documentation is submitted correctly and promptly.

NOTES:

1. Ryerson reserves the right to withdraw or cancel programs or courses due to a lack of enrolment.
2. For further information about the program, please contact the Program Administrator at 416-979-5000 ext. 4760, biomed@ryerson.ca or visit www.ryerson.ca/graduate/programs/biomedical_physics.
3. For further information about your application, please contact the Graduate Admissions Office at 416-979-5150, grdadmit@ryerson.ca or visit www.ryerson.ca/graduate/admissions.

**Complete all sections. TYPE or PRINT carefully. Read and follow the attached Instruction Sheet.
Include all submissions. Applications without the correct fee payment will not be processed.**
