

1. LETTERS OF RECOMMENDATION

A minimum of two Letters of Recommendation are required for each application.

The two recommendations should be from academic referees – former professors or research supervisors familiar with applicant's abilities. One recommendation may be substituted with a professional letter from a previous employer.

IMPORTANT!

A new online referee portal is now available for the fall 2012 session. You will be asked to complete the referee page on the online application form with their contact information including an active institution e-mail address. Your referee will be contacted electronically within 5-7 business days of your application submission with further instructions.

Reference letters are a key component of your application package and a close attention must be paid prior to selecting a referee. It is also your responsibility to contact the referee before filling out the online application form to confirm their availability.

Please note that we reserve the right to contact your referees at any stage during the application process.
