RYERSON UNIVERSITY

Chemical Engineering Program

Course Approval Form

CE8100: Directed Studies in Chemical Engineering (MASc)
CE9100: Directed Studies in Chemical Engineering (PhD)

All Chemical Engineering graduate students who take CE8100 or CE9100 for credit must have this form completed, approved with all required signatures and submitted to the Program Administrator **no later than** the last day to add courses for the term.

Student Name:		Student ID:	
Check one only:			
Master's Level	Fall Term ☐	Spring / Summer Term ☐	Winter Term ☐
PhD Level	Fall Term ☐	Spring / Summer Term ☐	Winter Term ☐
Supervising Professor's Name *:			

CE8100 and CE9100 provide various possibilities to pursue directed studies topics approved by the course supervisor and thesis supervisor, including other specialization course topics that are not offered on a formal 'in-class' basis. This course normally involves the preparation of a substantial research paper.

Provide a detailed course outline, including: 1) a title; 2) a brief description; 3) a list of objectives; 4) reading materials and/or assignments; 5) a bibliography; 6) an evaluation schema with significant dates (attach additional pages if needed):
Final Report submission deadline (normally by the final week of the term):

	Signature	**Date**
Student:		
Supervising Professor:		
Program Director:		

* The supervising professor is normally the student's thesis supervisor; but can also be any other faculty member in the Chemical Engineering graduate program who is a member of the School of Graduate Studies at Ryerson University.
