

**RYERSON UNIVERSITY  
SCHOOL OF GRADUATE STUDIES  
CHEMICAL ENGINEERING PROGRAM**

**Dissertation Examining Committee Nomination and Approval Form**

The student's Supervisory Committee, after consultation with the student, will recommend to the Program Director the appointment of an Examining Committee. The Examining Committee will be composed of one member of the supervisory committee; two faculty members from the student's program who are members of SGS; one faculty member from outside of the program who is a member of the School of Graduate Studies; one member external to the University who is an expert in the field of the dissertation, experienced with PhD level graduate studies, and at arm's length from the dissertation; and the Dean of Graduate Studies or designate, who shall serve as the non-voting Chair of the committee. If appropriate, an additional member may be recommended who is an expert professional in the field of the dissertation, or a Ryerson University faculty member who is not a member of the School of Graduate Studies.

*The Program Director shall forward his/her recommendation regarding the composition of the Dissertation Examining Committee to the Dean for approval and appointment. When the committee is appointed, the Supervisor will set the examination date.*
