RYERSON UNIVERSITY

MECHANICAL ENGINEERING PROGRAM
YEATES SCHOOL OF GRADUATE STUDIES

Master of Engineering students may use this form to change to either a MEng Course Option or Project Option. Please refer to the Mechanical Engineering program curriculum on the current calendar found here. **Please attach a letter giving detailed reasons for this application**. This form should be completed by the student, then signed by both the student's Advisor(s) and the Program Director, and returned to the Program Administrator in the Yeates School of Graduate Studies office, 11th floor, 1 Dundas St. West.

As explained thoroughly in the attached letter I, _____, will be:

- ☐ substituting two courses in place of the MEng Project (Course Option).
- ☐ switching to the MEng Project Option

Reasons for this switch and circumstances under which it is necessary are explained in detail.

I am aware of the fact that I cannot switch back to the Project Option when my request for the Course Option is approved by the Program Director.
