

Idioms

ELS Language Lab (SLC 447)

Instructions

1. Double click on the **Idioms** icon located on the Desktop.
2. If you would like detailed instructions on how to use this program, go to the drop down menu marked **File** which is located below “Idioms” and click on “Help”
 - Another window will appear with Instruction
 - Scroll down to view
 - When you are ready to begin the activities, close the Instructions window by clicking on the red “X” located in the top right corner
3. To begin, select **Lesson: Idioms** from the drop down menu
 - Click on **Idiom** List to view a list of idioms
 - You may want to put on headphones to hear how the idioms are used. Click on the headphones icon to listen to the sample sentence for a chosen idiom.
 - Click on the arrow buttons (located beside the headphones icon) to view the previous/next idiom in the list
4. Select **Exercise A, B or C** from the drop down menu
 - There are 10 units. Choose one to work on.
 - To answer the given question and move on to the next one, click the box beside the answer you selected
 - When you are done with a particular set of exercise questions, use the drop down menu to select another set
5. When you have completed all the lessons and exercises, use the drop down menu to select **Idiom Quiz** to test your knowledge of the idioms you just learned.
 - Select a test unit 1-10
 - Click on the box beside your chosen answer
6. When you are finished the test, you will see your final score as well the correct answers for each question.
7. If you would like to take another test or work on another unit, go back to the drop down menu and select an activity.
