

CPSA Graduate Student Caucus E-Mail List

As mandated at the June 2005 meeting of the Caucus, held at the University of Western Ontario, an email list has been established to provide a convenient avenue of communication between CPSA graduate students. The list is separate from POL-CAN and is modelled after one established by the CPSA Women's Caucus.

The Grad Caucus list is intended for use by graduate students, faculty and other persons wishing to contact CPSA graduate students on a wide variety of professional opportunities, ranging from employment and professional development, to research and networking.

ADMINISTRATION:

The list is maintained by the Chair of the CPSA Graduate Student Caucus. To protect its subscribers from spam and other inappropriate communications, all messages sent via this list are approved by the Chair. Members' individual email address will not be shared with any party.

COMMUNICATION:

Should you or any of your colleagues wish to communicate to graduate students using this list, simply send a message to: cpsa-grad-l@mailman.ucalgary.ca. Please allow 24 hours for the message to be reviewed by the administrator prior to being distributed. Note: This list is separate from POL-CAN (which consists of all members of the CPSA). Duplicate messages will be reviewed accordingly.

SUBSCRIPTION:

Subscription requests -- with the word "subscribe" in the subject line -- can be emailed to: cpsa-grad-l@mailman.ucalgary.ca.
