Ryerson students take part in a lively drum circle to welcome newcomers to campus during orientation.
Ryerson University is alive with the vibrancy of an open and inclusive community – one that thrives on student engagement and ideas. We’re Canada’s leader in blending experiential learning opportunities with academic studies, and we welcome you to a place where you can challenge conventional thinking and be inspired by the pulse of the city.

Here, you’ll merge ingenuity and action to create new possibilities for a brighter tomorrow.

36,700 undergraduate students
2,700 graduate students
55+ undergraduate programs
60+ graduate programs
198,000 alumni worldwide

This is Ryerson

We are a distinctly urban university where our diverse community and ideas continually drive us to explore new ways of thinking. Here, we measure ourselves against real-world impact and apply our knowledge to improve lives.

This is a place where innovation is everywhere. From our commitment to experiential learning and entrepreneurship to our award-winning buildings and varsity sports teams, it’s the strand that connects all that we do.
1. The Sheldon and Tracy Levy Student Learning Centre (SLC) is in the heart of Toronto. It houses student space, resources and services and is connected to the Ryerson Library. Learn more about it on page 12.

2. The Daphne Cockwell Health Sciences Complex (DCC) is our newest building, housing programming, academic offices and 332 student residence rooms. You can use the study lounges on every other floor, as well as a large community space on the eighth floor.

3. The Ryerson Image Centre (RIC) features 4,500 square feet of research, teaching and exhibition space for photography and related media. There are always interesting exhibits at the gallery, and it’s home to the Black Star Collection – 292,000 iconic black-and-white images charting the 20th century through photojournalism.

4. The Mattamy Athletic Centre (MAC) is a state-of-the-art facility with an NHL-sized hockey rink, as well as regulation-sized basketball and volleyball courts. Here you can exercise, play intramural sports and cheer on the Ryerson Rams.

Specialized programs for international students

Ryerson ESL Foundation Program

The Ryerson ESL Foundation Program is designed for international students who are academically qualified for admission to a Ryerson University undergraduate program, but do not meet the minimum English proficiency requirements.

The program offers intensive English language and academic skills instruction combined with undergraduate coursework and acculturation experiences. To help you transition to Ryerson, you will have access to all services offered on campus, and your tuition fee will include all textbooks, course-related materials, academic and career advising, peer mentorship, health insurance and cultural immersion events.

Students who complete the program successfully will be admitted to the Ryerson degree program of their choice with at least one (and up to three) undergraduate course credits and a strong foundation for academic success.

International University Foundation Program

The International University Foundation Program (IUFP) is designed for international students who want to strengthen their academic and personal foundations while learning to navigate university life. If you meet Ryerson’s English proficiency requirements but need some extra support meeting the overall competitive and/or subject requirements for your chosen program, the IUFP is for you.

To ensure your smooth transition to Ryerson, the IUFP’s intensive academic readiness programming and coursework are complemented by an array of extracurricular opportunities: mentorship, career planning and social events. You can continue to access individualized and holistic academic support and advising through the IUFP until you graduate from Ryerson.

Students who successfully complete the IUFP will be admitted to specific Ryerson undergraduate degree programs with at least four (and up to six) undergraduate course credits.

ryerson.ca/IUFP

The Ryerson ESL Foundation Program offers both short-term and long-term intensive programs to enhance your English proficiency and prepare for the university program of your choice.
Admission requirements

Basis of admission

Applicants educated outside of Ontario must submit evidence of education equivalent to the Ontario Secondary School Diploma (OSSD) with six Grade 12 U or M courses. Please note: Ryerson reserves the right to be the final arbiter of what will be accepted on an equivalency basis. You can find the general admission requirements for many education systems on page 23.

It is essential that subject prerequisite requirements and grades for specific Ryerson programs form part of the academic background of applicants from outside Ontario, especially in the last two years of secondary school studies. Our prerequisite charts starting on page 24 list all the required subjects and grades/levels.

Admission is based on competitive overall admission averages, competitive grades in program-specific subject requirements and, where applicable, non-academic requirements (e.g. portfolio, essay, interview, audition, etc.). Your complete academic record, including secondary school and all post-secondary studies (e.g. college, university or other post-secondary institutions), will be reviewed and considered as part of the competitive selection process. For current Ontario secondary school applicants, Ryerson may use Grade 11 results in the early admission selection process.

You must have completed, or currently be completing, your program's admission requirements at the time you apply. Meeting the minimum published admission requirements and/or grades does not guarantee admission. The overall average and subject-specific grades required for each program depend on competition each year, and admission is offered to the best-qualified applicants based on the information available at the time of application review.

When to apply

**February 1:** Guaranteed Consideration Date for applications to all programs (Grades-Plus and Grades-Only)

Ryerson encourages submission of the application, required documents and the appropriate application fee well in advance of the posted deadlines.

**Grades-Only** programs select students on the basis of academic performance.

**Grades-Plus** programs select students on the basis of academic performance plus non-academic requirements such as auditions, interviews, portfolios, essays, etc. If distance does not permit travel to Ryerson, selection methods may include telephone interviews, video auditions, mail-in questionnaires and/or essays. Non-academic requirements are generally due by the Guaranteed Consideration Date (February 1). It is important that you do not submit non-academic requirements until after you have submitted your application for admission and have received your Ryerson Student Number. Your Ryerson Student Number must be included where indicated on all non-academic requirements you submit. For further information about specific non-academic requirements, including submission deadline dates, procedures and applicable fees, review your program of interest at ryerson.ca/programs/undergraduate.

Subject to space availability in programs, applications, amendments and supporting documents may continue to be reviewed after the Guaranteed Consideration Date for fall admission. Some part-time undergraduate programs also accept applications for the winter and spring terms. Visit ryerson.ca/admissions/undergraduate/apply/application-dates for details.

STUDY PERMIT

If you are an international student and require a study permit, you should apply for it as soon as you receive your Offer of Admission. Visit cic.gc.ca for details.
International admission requirements for entry level programs

ALL PROGRAMS — INTERNATIONAL REQUIREMENTS

Ontario
Completion of the Ontario Secondary School Diploma (OSSD) with six Grade 12 U/M courses including English/English as a Second Language and program-specific subject prerequisites. A minimum overall average of 70% in six Grade 12 U/M courses establishes eligibility to apply for admission.

American Curriculum
Graduation from Grade 12 of an academic program at an accredited secondary school with high academic standing including minimum B grades in the program-specific subject prerequisites and a minimum B overall average. In most cases, subject prerequisites should be completed at the AP level and/or Grade 12 senior academic level (some exceptions apply). Subject to competition, applicants may be required to present averages/grades above the minimum. The high school profile (including accreditation, grading scale, etc.) must accompany the academic record. While we do not have minimum SAT or ACT score requirements, strong performance on a standardized test can strengthen an application. If SAT or ACT examinations have been written, the results should be submitted. Advanced Placement (AP) examination results will also be considered.

British-Patterned Education
GCE A Levels: at least two A Levels in different subject areas (if presenting predicted grades, a minimum grade of B or higher must be reported in one subject and C or higher in another subject. The same results are required of final A Levels). Two AS Levels are acceptable in place of an A Level. Applicants must also present GCSE/IGCSE/O Levels: at least three different subject areas with minimum final grades of B or higher in one subject and C or higher in two other subjects. Prerequisite subjects should be presented at the GCE A Level; however, excellent AS Levels and GCSE/IGCSE/O Levels will be considered for some programs. Cambridge Pre-U requirements and acceptable BTEC qualifications may be found at ryerson.ca/admissions/undergraduate/requirements/international. In recognition of changes to curriculum and grading in the UK, our requirements for those affected are currently under review.

Caribbean
Caribbean Examinations Council (CXC) Caribbean Secondary Education Certificate (CSEC) examinations and Caribbean Advanced Proficiency Examinations (CAPE). The completed CAPE diploma must include a total of at least six individual units with grades of one, two or three, CSEC subjects must be at the General Proficiency level, with grades of one, two or three. Subject to competition, applicants may be required to present averages/grades above the minimum. Prerequisites at the CAPE Level are highly recommended. Ryerson will also consider a preliminary year at the University of the West Indies, Barbados Community College or equivalent in lieu of the CAPE diploma.

China
Senior High School (Upper Middle School) Graduation Diploma, Academic Proficiency Test/Upper Middle School Graduation (Hui Kao) Exam, and Chinese National University Entrance Examinations (Gao Kao). Applicants who have not written, or do not intend on writing the Gao Kao examination must submit a signed and dated letter providing the reason(s). Additional requirements include a notarized copy of Hui Kao (or equivalent test) results and results from any other standardized academic tests (e.g., SAT, ACT or AP tests). Copies of awards received for academic achievement as well as reference letters from school officials highlighting academic accomplishments are encouraged.

French-Patterned Education
Baccalauréat/Baccalauréat Général/Option Internationale du Baccalauréat/Diplôme de Bachelier de l’Enseignement du Second Degré/ Baccalauréat Technologique, with a strong overall average and strong results in each of the subject prerequisites. Applicants must include the specific subject requirements for the program(s) to which they are applying in their final year of study.

India
All India Senior School Certificate Examination (awarded by CBSE) or the Indian School Certificate (awarded by CISCE) with a strong overall average, and strong marks in all subject prerequisites. Students presenting Year 12 State Board Exams (Higher Secondary School Certificate; Intermediate Certificate) with high standing will also be considered for admission.

International Baccalaureate
International Baccalaureate (IB) Diploma with grades of 4 or higher in three Higher Level and three Standard Level subjects and a grade total of 28 or higher. Subject to competition, applicants may be required to present averages/grades above the minimum. Applicants must include the specific subject requirements for the program(s) to which they are applying among their Higher and Standard Levels. The IB certificate and IB Career-related Programme (IBCP) cannot be used in lieu of the high school diploma requirement.

Middle East
General Secondary Education Certificate or Secondary School Leaving Certificate (Tawjihiyah, Al-Thanawiya or equivalent) with a strong overall average, and strong marks in all subject prerequisites.

Turkey
Lise Bitirme Diplomasi/Devlet Lise Diplomasi/French Baccalauréat with a strong overall average and strong results in each of the subject prerequisites. Applicants must include the specific subject requirements for the program(s) to which they are applying in their final year of study.

Other Education Systems
Please visit ryerson.ca/admissions/undergraduate/requirements/international for information about admission requirements from education systems around the world.

SPECIAL REQUIREMENTS
See program-specific subject prerequisites
at ryerson.ca/admissions/undergraduate/requirements/international.

Transfer Credit: AP courses with examination scores of 4 or higher, GCE A Levels with grades of C or higher, CAPE units with grades of 3 or better, French Baccalauréat subjects with a final coefficient of 10 or higher and IB Higher Levels with grades of 5 or higher will be considered for transfer credit on an individual basis. AS Levels will not be considered for transfer credit. Engineering students are not eligible for transfer credits for core professional engineering courses.

Note: The information provided here is an overview and subject to change. Admission requirements vary by program and faculty, and program-specific requirements apply. Possession of the minimum requirements does not guarantee admission. Due to competition, higher results may be required. Full details are available at ryerson.ca/admissions/undergraduate/requirements.

Minimum Requirements and Basis of Admission:
See ryerson.ca/admissions/undergraduate/requirements for equivalent admission requirements, minimum averages required to establish eligibility for admission consideration and more. Ryerson receives more applications than spaces available. The averages/grades required for admission selection to each program are determined on the basis of competition each year.

* These programs select students on the basis of grades plus non-academic criteria. For detailed information on these requirements, please visit the program page for your program of interest at ryerson.ca/programs/undergraduate.
How to apply

Visit ryerson.ca/admissions/undergraduate/apply for detailed instructions and related links.

Step 1: Submit your application

Submit your application(s) online via the Ontario Universities’ Application Centre (OUAC) at ouac.on.ca.

Step 2: Submit/upload required documents

You can begin the document upload/submission process (if applicable) after you have received the email acknowledgment of your application from Ryerson, and have set up your Ryerson Online Identity.

Review ryerson.ca/admissions/undergraduate/apply/document-submission to determine what documents are required and how to submit them by all noted deadline dates. Documents may include:

- **Academic transcripts**: You are personally responsible for the submission of both secondary and all post-secondary school academic transcripts, regardless of the date of completion and the country of origin.
- **Non-academic requirements** (for Grades-Plus programs).
- **Ryerson supplementary form** and other supporting documents (if applicable).
- **Proof of English language proficiency**. Visit ryerson.ca/admissions/undergraduate/requirements/english-language for details.
- **Study permits**: If you are not a Canadian citizen or a permanent resident, you must indicate on your application that you have obtained or intend to obtain a study permit and a Temporary Resident Visa (TRV) if applicable. Visit cic.gc.ca for details. If you are already in Canada on a study permit, you must submit a copy of your visa authorization form or immigration papers confirming your status.

**Minimum English language proficiency results** (subject to change)

Visit ryerson.ca/admissions/undergraduate/requirements/english-language for details.
