VISIT RYERSON
Come for a campus tour, attend an open house or take a virtual tour.
Learning at Ryerson University is innovative and impactful. Many of our **62 bachelor’s programs** are available only at Ryerson, and you can pair them with more than **50 specialized minors** to tailor your education to your interests and future career path.

From biomedical sciences, to creative industries, to entrepreneurship and strategy, our programs are unique and relevant. **You begin building your career the moment you enter the classroom.**

Possible minors include business essentials, criminology, environment and urban sustainability, global management, global politics and development, law, professional communication, real estate management, social innovation and many more.

**FACULTY OF LAW COMING IN 2020!**

Ryerson is launching a Juris Doctor (JD) law program in 2020. Students will receive legal education that examines contemporary issues such as technology; equity and community inclusion; and access to justice. Mandatory courses will be offered in social innovation and the law, Indigenous law in Canada, legal innovation and the business of law.

Ryerson law students will complete professional placements in their third year, and participate in short, intensive learning experiences each term. Courses co-taught by faculty and law practitioners will provide students with various viewpoints on the legal system, so students will graduate with a solid grounding in law and be ready for practice.

† Co-operative program option – five years in length
‡ Co-operative basis only – five years in length
Specialized programs for international students

Ryerson ESL Foundation Program

The Ryerson ESL foundation program at the Real Institute is designed for international students who are academically qualified for admission to a Ryerson University undergraduate program, but do not meet the minimum English proficiency requirements.

The program offers intensive English language and academic skills instruction combined with undergraduate coursework and acculturation experiences. To help you transition to Ryerson, you will have access to all services offered on campus, and your tuition fee will include all textbooks, course-related materials, academic and career advising, peer mentorship, health insurance and cultural immersion events.

Students who complete the program successfully will be admitted to the Ryerson degree program of their choice with at least one (and up to three) undergraduate course credits and a strong foundation for academic success.

ryerson.ca/esl-foundation

International University Foundation Program

The international university foundation program (IUFP) is designed for international students who want to strengthen their academic and personal foundations while learning to navigate university life. If you meet Ryerson’s English proficiency requirements, but need some extra support meeting the overall competitive and/or subject requirements for your chosen program, the IUFP is for you.

To ensure your smooth transition to Ryerson, the IUFP’s intensive academic readiness programming and coursework are complemented by an array of extracurricular opportunities: mentorship, career planning and social events. You can continue to access individualized and holistic academic support and advising through the IUFP until you graduate from Ryerson.

Students who successfully complete the IUFP will be admitted to specific Ryerson undergraduate degree programs with at least four (and up to six) undergraduate course credits.

ryerson.ca/IUFP
Support for international students

Transition to life at Ryerson as an international student with ongoing support throughout your studies.

Take advantage of programs in English language, math, study skills, writing and test taking, as well as accommodations for people with disabilities. Stay healthy through our medical centre, counselling services and support groups. Attend workshops to help with stress, anxiety, depression, body image or cultural integration.

International Student Support (ISS) strives to support the personal and professional development of international students through the following offerings:

- **UHIP**: Health insurance for international students
- **Career Boost International**: On-campus job opportunities for international students
- **Global Links**: Cultural conversation, engagement and trips
- **Social Support**: Group mentoring and peer social events
- **Immigration Support**: Status letters, one-on-one immigration advice from licensed international student advisers and immigration workshops

Choose Ryerson University for your undergraduate degree and get closer to where you want to be, whether that’s working in your field, living in a world-class city, or being surrounded by industry leaders.

You can put your ideas into action here. At Ryerson, you’ll explore innovative ways to learn and enhance your knowledge with real-world experience. We empower thinkers, creators and entrepreneurs to harness their potential and develop their careers.

Ryerson is where education and opportunity meet.
Top 5 reasons to come here

1. Learning here is cutting edge.
   Innovation is part of everything we do, from our unique approach to experiential Zone Learning to our array of research labs and co-working spaces. You’ll get the chance to take the knowledge you’ve acquired and apply it beyond the classroom to make a meaningful social impact.

2. We’re in the heart of Toronto.
   Ryerson is located at the centre of Canada’s largest city, a dynamic urban centre with booming tech and cultural scenes. You’re only steps away from amazing opportunities in every field, from health care and technology to arts and entertainment.

3. Your career starts here.
   Our tailored Career Centre services will enhance what you learn in your program so you can set yourself apart in your field. Explore co-ops, internships and field placements to get the kind of experience you need to land your dream job.

4. We’re a global community.
   Our students and faculty speak more than 80 languages and come from more than 146 countries. At Ryerson, you’re part of a community that’s welcoming, vibrant and inclusive.

5. You’ll learn from the best.
   We have more than 20 Canada Research Chairs on staff and partnerships with more than 150 organizations in Toronto and around the world. Ryerson professors bring a wealth of industry experience to shape the curriculum and offer practical knowledge along with a strong academic foundation.
Experiential learning

Your career starts here, where education and experience go hand in hand. We take learning beyond the classroom at Ryerson through co-ops, internships, field placements and our Zone Learning programs. When you graduate, you’ll not only have the strong academic foundation required for your chosen career path, but also the experience you need to stand out from the crowd.

Co-operative Education

During co-op you’ll alternate terms of full-time study with terms of full-time work between your second and fourth academic years. Co-op helps you discover strengths and interests, earn a competitive salary, build a network of contacts and increase your job prospects after graduation. Some of the companies that hire our students for co-op include:

- Agropur (Natrel)
- Apotex
- CIBC
- Cinchy
- Diamond Schmitt Architects Inc.
- IBM
- Ontario Ministry of the Environment and Climate Change
- Ontario Power Generation
- RBC Financial Group
- Region of Peel
- Sanofi Pasteur
- St. Michael’s Hospital
- Toronto Hydro

Above: Julianna Garofalo, journalism, is already putting her learning into action as a writer, reporter, social media strategist, virtual content creator and experienced VIP interviewer. She’s covered the iHeartRadio Much Music Video Awards in downtown Toronto for both YSBnow and RU Student Life, as well as the Toronto International Film Festival (TIFF).
Zone Learning

Add to your education experience with Zone Learning. You can discover what it takes to create social change, contribute to a big idea or launch a startup.

- Add to your résumé or portfolio with an internship, work experience or your own venture.
- Access workshops, bootcamps, mentorship, labs and workspaces, grants, awards and competitions.
- Collaborate with people from multiple disciplines across campus and network with industry leaders and community partners.
- Develop career-ready skills desired by employers, such as teamwork, communication, perseverance, risk-taking or project management.

ryerson.ca/zonelearning

Zones

Ryerson is home to 10 zones that provide opportunities to get involved with initiatives from the ground up.

Biomedical Zone
Biomedical and health-care ventures

Clean Energy Zone
Clean, sustainable energy innovation

Design Fabrication Zone
Spatial ideas, design learning and 3D production

DMZ
Top-ranked university incubator in the world for tech startups

Fashion Zone
Fashion-inspired business and innovation

iBoost Zone
Customer-centric, problem-solving technologies

Legal Innovation Zone
Solutions and technologies to improve legal services and the justice system

Science Discovery Zone
Research, development and problem-solving in the sciences

Social Ventures Zone
Creation of positive and viable social change

Transmedia Zone
Innovation in content and storytelling

Top right: Mark Zaidi (shown), biology, and Leslie Capobianco, biomedical sciences, founded Entropy Labs and discovered a new means to produce aerogel – an insulating substance more expensive (per gram) than gold – more economically and sustainably than NASA. With the help of the Science Discovery Zone, Entropy Labs has won more than $20,000 in awards and grants.

Below: House of Anesi is a Fashion Zone startup founded by students Jacob John (left), aerospace engineering, Leen Al-Taher (right), industrial engineering, and Stephanie Stefanakou, fashion communication. This multidisciplinary team collaborated to invent a new type of bra made of smart materials that adjust to changes in breast size and shape.
Your campus

This is where it all happens. Ryerson’s campus is woven into the fabric of Toronto. Walk from an apartment or residence nearby, or commute by subway, streetcar, bike or GO train to the heart of the city. Our campus is at the intersection of the city and university life.

Breeze through the bustle of Yonge-Dundas Square or soak up the tranquility of the Ryerson quad on your way to class, stopping to grab a coffee at a Ryerson coffee shop or one of the many indie cafés that dot the campus and surrounding area.

It’s easy to be productive when you’re in a building designed to foster innovative thinking. Our award-winning Student Learning Centre (SLC) is the perfect place to catch up on your assignments in a quiet study area, collaborate on a group project in one of many reservation-based seminar rooms, or spend time with friends in a tiered space overlooking busy Yonge Street.

sic.blog.ryerson.ca

There’s always time to take care of you. You can drop in for essay help at Student Learning Support, find a mentor, join a support group or have a snuggle with our adorable therapy dogs. There’s also our ThriveRU program, which is here to help you feel supported on campus and to find connections between academic success and a balanced lifestyle.

ryerson.ca/studentaffairs

Your career starts on campus. At Ryerson’s Career Centre, you can develop your teamwork and communication skills while honing your leadership abilities. You’ll also have access to Career Compass, a nationally recognized resource that provides tips on career planning, social media use, networking and building your personal brand.

ryerson.ca/career/students
“I think one of the best things about Ryerson is the combination of resources and opportunities. It’s a place that makes me feel like any future is possible.”

Mariana de Gueiroz, new media
International student from Brazil

There’s an array of food options for hungry students. You can fill up with a healthy bite at one of Ryerson’s many spots, hit up one of the many cheap eats options nearby, or indulge in the latest trendy snack. There’s a world of cuisine at our doorstep. From halal options to Chinese and Thai or burgers and pizza, there’s something for everyone.

Log in to ConnectRU, our central web portal, to find opportunities to get involved, stay informed of upcoming events, organize and promote co-curricular activities, and receive recognition for your participation through the Ryerson Lead Blue & Gold program. You can also join one of Ryerson’s 25 cultural associations.

studentlife.ryerson.ca

Ryerson boasts some of the most impressive athletics facilities in Toronto. Grab your friends and sign up for intramurals, cheer on our Rams sports teams (including the U SPORTS national champion women’s volleyball team), or work out at one of our fitness facilities. You can even skate under the soaring roof at the Mattamy Athletic Centre, formerly known as Maple Leaf Gardens.

ryersonrams.ca

Then get a good night’s sleep and do it all over again!
Your city

Ryerson’s campus is located in the heart of the most dynamic city in Canada. Toronto has been ranked the safest city in North America, the best city in the world to live\(^1\) and also a top city for young people\(^2\) – thanks to its openness and diversity and its brimming tech and startup sectors. When you step out of the classroom, opportunity and excitement surround you.

From Toronto’s globally renowned food scene to its diverse neighbourhoods, the city is a hub for cultural exploration and discovery. As the economic capital of Canada, you’ll find countless internship options, local partners to launch your big idea, and access to a booming job market to help you kick-start your career.

From here, you can go anywhere.

---

\(^1\) The Economist
\(^2\) The Youth Economic Strategy (YES) Index
1. Take in the vibrant lights of this world-class city.
2. Sample cuisines from every country – from fine dining to street food.
3. See the city by streetcar, or hop on our subway system to get from A to B.
4. Explore one of many Toronto neighbourhoods such as trendy Kensington Market.
5. Watch the parade or take part in Pride Toronto.
6. Cheer on one of Toronto’s professional sports teams or the Ryerson Rams.
7. Experience the bustle of Yonge-Dundas Square – Toronto’s equivalent of New York City’s Times Square.
8. Take in a concert, play or exhibition at one of the many cultural spots around the city.
9. Check out outdoor art and food markets around the city. Ryerson’s own farmers’ market runs from early summer to early fall.

Raccoons are Toronto’s unofficial mascot. Keep your eye out for wildlife in the city.

“Toronto is known for its diverse and multicultural nature and this is what I love about this city. My perception of things has grown because of my interactions with people from different backgrounds across the world.”

Nathaniel Turnah, mechanical engineering
International student from Nigeria

Your world

Ryerson, like Toronto, is an exceptionally multicultural community, rich with a diversity of perspectives, cultures and opportunities. In the classroom, that means you’ll be surrounded by different opinions and backgrounds to help widen your world view. Ryerson students have the opportunity to undertake international internships or get involved in international partnerships and projects, connecting hands-on work with global competencies.

“The exposure to diversity, academic excellence and research opportunities at Ryerson helped me envision the endless heights I could achieve.”

Paurali Rahevar, computer science
International student from India

Your residence

Live on campus in residence and immerse yourself in the Ryerson experience. Dedicated professionals and student leaders will help you transition to living independently while working towards academic success. You’ll live in a community of your peers with opportunities to meet people and make new friends. And we’ll provide you with a safe and supportive space to connect with the neighbourhood and explore all the excitement Toronto has to offer.

We’re growing to support you! Ryerson has four residence buildings on campus, including more than 900 new residence spaces added in 2018 and 2019.

- HOEM (opened fall 2018)
- International Living/Learning Centre (open to all students)
- Pitman Hall
- Daphne Cockwell Health Sciences Complex (opening 2019)

Between these four buildings there are a range of room styles including two- to four-bedroom apartments, single bedrooms with shared hallway washrooms and some individual rooms with private washrooms. You’ll have an opportunity to identify your preferred room style in the residence application.

[ryerson.ca/housing](http://ryerson.ca/housing)
Scholarships and awards

We are pleased to recognize your achievements, and designate more than $5 million in entrance scholarship support.

International students attending an out-of-country (or equivalent) secondary school may apply for one of 12 President’s Entrance Scholarships, valued at up to $40,000 each, or one of seven International Secondary School Merit Scholarships, valued at $5,000 each.

Visit ryerson.ca/admissions/scholarships-awards for details including information relating to applications and program-specific scholarships.

“Not only can this scholarship help you in terms of financial assistance, but the application process is a good way to fast-track or improve your writing skills, which will be fundamental to your academic development at Ryerson.”

Zachary Gaskin, international economics and finance
International student from Barbados, recipient of the International Secondary School Merit Scholarship
Admission requirements vary from program to program. Visit ryerson.ca/admissions/undergraduate/requirements/international and select your academic background to review program-specific requirements. See the admissions charts on pages 26-28 in this publication for a quick overview.
Admission requirements

Basis of admission

Applicants educated outside of Ontario must submit evidence of education equivalent to the Ontario Secondary School Diploma (OSSD) with six Grade 12 U or M courses. Please note: Ryerson reserves the right to be the final arbiter of what will be accepted on an equivalency basis. You can find the general admission requirements for many education systems on page 24.

It is essential that subject prerequisite requirements and grades for specific Ryerson programs form part of the academic background of applicants from outside Ontario, especially in the last two years of secondary school studies. Our prerequisite charts starting on page 26 list all the required subjects and grades/levels.

Admission is based on competitive overall admission averages, competitive grades in program-specific subject requirements and, where applicable, non-academic requirements (e.g., portfolio, essay, interview, audition, etc.). Your complete academic record, including secondary school and all post-secondary studies (e.g., college, university or other post-secondary institutions), will be reviewed and considered as part of the competitive selection process. For current Ontario secondary school applicants, Ryerson may use Grade 11 results in the early admission selection process.

You must have completed, or currently be completing, your program’s admission requirements at the time you apply. Meeting the minimum published admission requirements and/or grades does not guarantee admission. The overall average and subject-specific grades required for each program depend on competition each year, and admission is offered to the best-qualified applicants based on the information available at the time of application review.

When to apply

February 1: Guaranteed Consideration Date for applications to all programs (Grades-Plus and Grades-Only)

Subject to space availability in programs, applications, amendments and supporting documents may continue to be reviewed after the Guaranteed Consideration Date for fall admission.

Grades-Only programs select students on the basis of academic performance.

Grades-Plus programs select students on the basis of academic performance plus non-academic requirements such as auditions, interviews, portfolios, essays, etc. If distance does not permit travel to Ryerson, selection methods may include telephone interviews, video auditions, mail-in questionnaires and/or essays. Non-academic requirements are generally due by the Guaranteed Consideration Date (February 1). However, it is important that you do not submit non-academic requirements until after you have actually submitted your application for admission and have received your Ryerson Student Number. Your Ryerson Student Number must be included on all non-academic requirements you submit. For further information about specific non-academic requirements, including submission deadline dates, procedures and applicable fees, review your program of interest at ryerson.ca/programs/undergraduate.

STUDY PERMIT

If you are an international student and require a study permit, you should apply for it as soon as you receive your Offer of Admission.
How to apply

Visit ryerson.ca/admissions/undergraduate/apply for detailed instructions and related links.
Step 1: submit your application

Submit your application(s) online via the Ontario Universities’ Application Centre (OUAC) at ouac.on.ca.

Step 2: submit/upload required documents

You can begin the document upload/submission process (if applicable) after you have received the email acknowledgment of your application from Ryerson, and have set up your Ryerson Online Identity.

Review ryerson.ca/admissions/undergraduate/apply/document-submission to determine what documents are required and how to submit them by all noted deadline dates. Documents may include:

- **Academic transcripts**: You are personally responsible for the submission of both secondary and all post-secondary school academic transcripts, regardless of the date of completion and the country of origin.
- **Non-academic requirements** (for Grades-Plus programs).
- **Ryerson supplementary form and supporting documents** (if applicable).
- **Proof of English language proficiency**: Visit ryerson.ca/admissions/undergraduate/requirements/english-language for details.
- **Study permits**: If you are not a Canadian citizen or a permanent resident, you must indicate on your application that you have obtained or intend to obtain a study permit and a Temporary Resident Visa (TRV) if applicable. Visit cic.gc.ca for details. If you are already in Canada on a study permit, you must submit a copy of your visa authorization form or immigration papers confirming your status.

Step 3: track your application status

Your Choose > Ryerson applicant portal at choose.ryerson.ca is the only way we communicate directly with you regarding your application(s). You will be responsible for accessing your applicant portal and viewing all communications issued to you from Ryerson throughout the admission process.

WHEN WILL I HEAR?

Visit ryerson.ca/admissions/undergraduate/after-applying for details on decision release dates.

Minimum English language proficiency results (subject to change)

Visit ryerson.ca/admissions/undergraduate/requirements/english-language for details.

Applicants must meet the test score for their subject(s) of major interest, as noted above. Higher scores may be required, subject to competition.
International admission requirements for entry level programs

ALL PROGRAMS — INTERNATIONAL REQUIREMENTS

Ontario
Completion of the Ontario Secondary School Diploma (OSSD) with six Grade 12 U/M courses including English/Anglais and program-specific subject prerequisites. A minimum overall average of 70% in six Grade 12 U/M courses establishes eligibility to apply for admission.

American Curriculum
Graduation from Grade 12 of an academic program at an accredited secondary school with high academic standing including minimum B grades in the program-specific subject prerequisites and a minimum B overall average. In most cases, subject prerequisites should be completed at the AP level and/or Grade 12 senior academic level (some exceptions apply). Subject to competition, applicants may be required to present averages/grades above the minimum. The high school profile (including accreditation, grading scheme, etc.) must accompany the academic record. While we do not have minimum SAT or ACT score requirements, strong performance on a standardized test can strengthen an application. If SAT or ACT examinations have been written, the results should be submitted. Advanced Placement (AP) examination results will also be considered.

British-Patterned Education
GCE A Levels: at least two A Levels in different subject areas (if presenting predicted grades, a minimum grade of B or higher must be reported in one subject and C or higher in another subject. The same results are required of final A Levels). Two AS Levels are acceptable in place of an A Level. Applicants must also present GCSE/IGCSE/O Levels: at least three different subject areas with minimum final grades of B or higher in one subject and C or higher in two other subjects. Prerequisite subjects should be presented at the GCE A Level; however, excellent AS Levels and GCSE/IGCSE/O Levels will be considered for some programs. In recognition of changes to curriculum and grading in the UK, our requirements for those affected are currently under review. Cambridge Pre-U requirements and acceptable BTEC qualifications may be found at ryerson.ca/admissions/undergraduate/requirements/international.

Caribbean
Caribbean Examinations Council (CXC) Caribbean Secondary Education Certificate (CSEC) examinations and Caribbean Advanced Proficiency Examinations (CAPE). The completed CAPE diploma must include a total of at least six individual units with grades of one, two or three. CSEC subjects must be at the General Proficiency level, with grades of one, two or three. Subject to competition, applicants may be required to present averages/grades above the minimum. Prerequisites at the CAPE Level are highly recommended.

China
Senior High School (Upper Middle School) Graduation Diploma, Academic Proficiency Test/Upper Middle School Graduation (Hui Kao) Exam, and Chinese National University Entrance Examinations (Gao Kao). Applicants who have not written, or do not intend on writing the Gao Kao examination must submit a signed and dated letter providing the reason(s). Additional requirements include a notarized copy of Hui Kao (or equivalent test) results and results from any other standardized academic tests (e.g., SAT, ACT or AP tests). Copies of awards received for academic achievement as well as reference letters from school officials highlighting academic accomplishments are encouraged.

Transfer Credit:
AP courses with examination scores of 4 or higher, GCE A Levels with grades of C or higher, CAPE units with grades of 3 or better, French Baccalauréat subjects with a final coefficient of 10 or higher and IB Higher Levels with grades of 5 or higher will be considered for transfer credit on an individual basis. AS Levels will not be considered for transfer credit. Engineering students are not eligible for transfer credits for core professional engineering courses.

French-Patterned Education
Baccalauréat/Baccalauréat Général/Option Internationale du Baccalauréat/Diplôme de Bachelier de l’Enseignement du Second Degré/ Baccalauréat Technologique, with a strong overall average and strong results in each of the subject prerequisites. Applicants must include the specific subject requirements for the program(s) to which they are applying in their final year of study.

India
All India Senior School Certificate Examination (awarded by CBSE) or the Indian School Certificate (awarded by CISCE) with a strong overall average, and strong marks in all subject prerequisites. Students presenting Year 12 State Board Exams (Higher Secondary School Certificate; Intermediate Certificate) with high standing will also be considered for admission.

International Baccalaureate
International Baccalaureate (IB) Diploma with grades of 4 or higher in three Higher Level and three Standard Level subjects and a grade total of 28 or higher. Subject to competition, applicants may be required to present averages/grades above the minimum. Applicants must include the specific subject requirements for the program(s) to which they are applying among their Higher and Standard Levels. The IB certificate and IB Career-related Programme (IBCP) cannot be used in lieu of the high school diploma requirement.

Middle East
General Secondary Education Certificate or Secondary School Leaving Certificate (Tawjihiyah, Al-Thanawiya or equivalent) with a strong overall average, and strong marks in all subject prerequisites.

Turkey
Lise Bitirme Diploması/Devlet Lise Diploması/French Baccalauréat with a strong overall average and strong results in each of the subject prerequisites. Applicants must include the specific subject requirements for the program(s) to which they are applying in their final year of study.

Other Education Systems
Please visit ryerson.ca/admissions/undergraduate/requirements/international for information about admission requirements from education systems around the world.

SUBJECT PREREQUISITES
See program-specific subject prerequisites at ryerson.ca/admissions/undergraduate/requirements/international.

Note: The information provided here is an overview and subject to change. Admission requirements vary by program and faculty, and program-specific requirements apply. Possession of the minimum requirements does not guarantee admission. Due to competition, higher results may be required. Full details are available at ryerson.ca/admissions/undergraduate/requirements/international.

| Program | English and Math, Math Studies is not acceptable | Grade 12 English, senior-level Math with Calculus | English and Math | English and Math with Calculus | English/Inglsis (ENG4U/EA4E4U preferred), Advanced Functions (MHF4U) and Calculus and Vectors (MCV4U) |

**Minimum Requirements and Basis of Admission:**

See ryerson.ca/admissions/undergraduate/requirements for equivalent admission requirements, minimum averages required to establish eligibility for admission consideration and more. Ryerson receives more applications than spaces available. The averages/grades required for admission selection to each program are determined on the basis of competition each year.

*These programs select students on the basis of grades plus non-academic criteria. For detailed information on these requirements, please visit the program page for your program of interest at ryerson.ca/programs/undergraduate.
Admissions timeline

September
OUAC applications are open. Activate your Ryerson Online Identity as soon as Ryerson has acknowledged your application.

November 10
Visit the campus for the Fall Open House.

FALL
Average temperature: 5º to 10ºC
What to wear: a light sweater

WINTER
Average temperature: -10º to 5ºC
What to wear: hat, gloves and a warm jacket

March 30
Join us for our Spring Open House.

SPRING
Average temperature: 5º to 12ºC
What to wear: a light jacket

April 1
We encourage you to submit your English proficiency test score by this date.

May 15
The deadline to pay your tuition deposit and reserve your space is coming up fast. Pay now to avoid delays!

SUMMER
Average temperature: 15º to 25ºC
What to wear: light, breathable fabrics and sunscreen!

July
Schedule a meeting with a Ryerson International student adviser.

July/August
If you have a conditional Offer of Admission, you must submit your final and official results by the deadline in your offer letter.

August
Early August: Check RAMSS for your enrolment appointment.

Late August: Attend orientation and move into residence or other accommodations.

START YOUR CLASSES IN SEPTEMBER!
Whether in-person or online, from anywhere in the world, we can’t wait to show you around!

Throughout the year we offer a number of opportunities to help you get to know our urban, pedestrian-friendly campus in downtown Toronto. Visit ryerson.ca/admissions/visits-tours for details on events and times.
Explore our campus

Year-round

Campus tours
Let us show you our campus! Led by current students, tours are available Monday to Friday:

- Academic year (September to April): at 10 a.m. and 2 p.m.
- Summer (May to August): at 10 a.m.

Tours are approximately one hour and 30 minutes to two hours in length and are not available during holidays and university closures.

RU Live: online info sessions
RU Live webinars let you chat with students, faculty and admissions representatives. New sessions are being added regularly – visit our website and sign up for the topics that are right for you.

Residence tours
To learn more about residence tours, visit ryerson.ca/admissions/visits-tours.

Virtual tour
If you’re looking to explore a particular building or can’t join a tour in person, check out our virtual tour. Visit ryerson.ca/virtualtour to take a peek around our campus from the comfort of your home – or wherever you are.

Open house events

Fall Open House
Saturday, November 10
Come meet us! The fall open house gives you the opportunity to talk with representatives from undergraduate admissions and student services, as well as students, faculty and staff. This is your chance to explore Ryerson before you apply and see why we might be the school for you.

Spring Open House
Saturday, March 30
Join us for a full-day open house designed to help you learn more about Ryerson and confirm your decision to join the Ramily!

Program events
Throughout the fall, the Faculty of Communication and Design hosts a number of events designed to showcase our innovative programs in media, design and fine arts. Visit our website for more details and choose the opportunity right for you!

For dates and registration details, visit ryerson.ca/admissions/visits-tours.

Campus Tours
Meet at room POD-144, the Podium Building, 380 Victoria St. (access through Jorgenson Hall), for a general campus tour.

ServiceHub
Visit us in the Podium Building, 380 Victoria St. (access through Jorgenson Hall). The ServiceHub is a one-stop resource for all your questions about Ryerson!
1. **Mattamy Athletic Centre**
   Formerly Maple Leaf Gardens, this Ontario heritage site is now home to a state-of-the-art athletic centre with an NHL-sized skating rink, high-performance gym and fitness studios.

2. **Campus Tours**
   Tours lead by current students depart here. See page 31 for details!

3. **Kerr Hall**
   The Quad is the heart of our campus, and the surrounding Kerr Hall is home to classrooms, lab spaces and the Ryerson Theatre.

4. **Student Learning Centre**
   This award-winning, LEED Gold certified building offers panoramic views of the city and is a great place to study, collaborate and share ideas.

5. **Ryerson Image Centre**
   This museum-standard and climate-controlled facility houses the Black Star Collection: 292,000 iconic black-and-white images charting the 20th century through photojournalism.

6. **Daphne Cockwell Health Sciences Complex (under construction)**
   This multifunctional hub will house innovative academic space, student accommodations, administrative offices and more.

7. **Ted Rogers School of Management**
   Situated in the centre of downtown Toronto at the intersection of Bay and Dundas, this building is steps away from Canada’s biggest financial district.

Visit [ryerson.ca/maps](http://ryerson.ca/maps) to see a full map of the Ryerson campus and a list of all buildings.
Stay connected

**why.ryerson.ca**
Hear from Ryerson students about their experiences and get the latest updates.

**ask.ryerson.ca**
Find answers to all your Ryerson admission questions. Available 24 hours a day, year-round.
