If you have received confirmation about receiving transfer credits for first year courses, you can select courses from Year 2 (or higher) requirements.

### Program Course Restrictions

Students wishing to pursue an Option (see Professional Table I) must make their choice by the end of 2nd semester. Once an Option has been chosen, students must complete all the requirements of that Option to graduate. Individual requirements for the nine Options are identified in Table I. Students can change or choose an option in later semesters as well, provided they consult with the program department.

* Students pursuing the Anthropology Studies Option must take ACS 106 in 2nd semester. FRE & SPN courses are available to Anthropology Studies.
