Program Course Restrictions

- Students cannot use CRM courses to meet their Table I requirements. Students cannot use CRM courses to meet their Table A or B requirements [lower or upper level liberal studies courses]. PHL 214 is not available for credit on Table A. First year students should not be selecting courses from Table A; Table A is taken in second year.

Important Information

- After you enroll in courses, check MyServiceHub for your timetable.
- Classes are scheduled weekly as a three-hour lecture OR two-hour lecture and one-hour tutorial.
- Please refer to the [Enrollment Tutorials](#) or the [MyServiceHub Support website](#) for instructions on how to add courses.
- For a complete curriculum overview for years 2, 3 and 4, please click here <https://www.torontomu.ca/calendar/2023-2024/programs/arts/criminology/>
- You MUST run an [Academic Advisement Report on MyServiceHub](#) to help you determine what courses you need to enroll in and to ensure that the courses apply to your program graduation requirements. If a course is in the non-applicable section of your Advisement Report, it will not count in our program and you must drop it and enroll in another course that counts.
- The typical course load is 5 courses per semester. Students should speak to their Program Administrator if they wish to reduce or increase their course load.
- Instructors will provide course outlines (including required texts) to students via D2L on the first day of classes.
- Login to [my.torontomu.ca](#) to access MyServiceHub, D2L Brightspace, and your TMU email account (Google workspace).
- Always check your TMU email account regularly for important information & updates from your program and the university.
- Students are encouraged to use Visual Schedule Builder (VSB) to help create their optimal class schedule.
- Some courses have a wait list function. To add yourself to a wait list, please refer to the [Course Wait List website](#). If you cannot add yourself to a waitlist, it is either that the course does not support a waitlist or the waitlist is full.
- Open electives available in a given semester can be found under "my classes offered" on MyServiceHub. The courses are divided by teaching faculty and then alphabetically by course codes. There are over 500 courses available as Open Electives, so students should focus their search on specific areas of interest. More information on courses is available in the [undergraduate calendar](#).
- Register for [Academic Accommodation Support \(AAS\)](#) if you identify as a student with a temporary and/or permanent disability. AAS implements individualized accommodation plans to reduce disability-related barriers and ensure that students have equal access to education.

Transfer Students

If you have received confirmation about receiving transfer credits for first year courses, you can select courses from Year 2 (or higher) requirements or electives. If you have not yet received confirmation about transfer credits, please enroll in courses as if you have not been granted them, but be prepared to drop the courses if confirmation is received. **IN ALL CASES**, if you are a transfer student, you must email your Program Administrator to review your Transfer Credits.
