

Call for Expressions of Interest – Externally funded fellowships

Top-quality researchers are invited to submit an expression of interest for externally funded fellowships

May 18, 2020

The Canada Excellence Research Chair in Migration and Integration at Ryerson University invites top-quality researchers who are working in the broader area of migration and integration studies to submit an expression of interest for externally funded fellowships to be hosted by the CERC in Migration at Ryerson University in Toronto, Canada.

Interested applicants please submit a short CV (2-4 pages) and a short outline of a research proposal (1-2 pages) to cerc.migration@ryerson.ca by June 15, 2020. Please indicate clearly the fellowship program you intend to apply to and ensure that you fulfill the relevant eligibility requirements.

Your research proposal must include a clear statement of what you intend to study and show how it fits with one or more of the [thematic priority areas](#) of the CERC Migration program. The process is competitive and only a handful of applicants will be retained for further preparing of a submission to one of the two schemes outlined below. Shortlisted applicants will be informed by July 01, 2020.

Marie Curie Global Fellowships

Competition Launch: April 08, 2020

Fellowship Application Deadline: September 09, 2020

Program Website: https://ec.europa.eu/research/mariecurieactions/actions/get-funding/individual-fellowships-2020_en

The goal of the Individual Fellowships is to enhance the creative and innovative potential of experienced researchers wishing to diversify their skills and competencies through advanced training and international and intersectoral mobility.

Banting Postdoctoral Fellowships

Competition launch: June 01, 2020

Fellowship Application Deadline: October 01, 2020

Program Website: <https://banting.fellowships-bourses.gc.ca/en/home-accueil.html>. The Banting Postdoctoral Fellowships program provides funding to the very best postdoctoral applicants, both nationally and internationally, who will positively contribute to Canada's economic, social and research-based growth. The program objectives pay special attention to the future leadership potential of the selected applicants.
