

Department of Chemical Engineering COVID-19 Announcement

The university has released an [announcement](#) that the campus is closed until further notice, except for essential services. See the full announcement here:

The Department of Chemical Engineering has shifted all in-person classes to virtual and other alternative forms of delivery that do not involve face-to-face meetings. Students should submit assignments to their instructor or TA/GA electronically. Any forms should be emailed to the appropriate person. Computer labs KHN105, KHE135 and KHN107 are closed as well.

As of March 17, 2020, the Department of Chemical Engineering front office will be open virtually only until further notice. Administrative staff will be available via email, phone and Skype* from Monday to Friday between 9:00 AM and 4:00 PM (see below).
