

**CV8100: Directed Studies in Engineering  
Course Approval Form  
Civil Engineering Program**

All Civil Engineering graduate students who take CV8100 for credit must have this form filled, approved with all required signatures and submitted to the Program Administrator by the final day to add a class.

Student Name:		Student ID:		
Program:	PhD	MASc	MEngFT	MEngPT
Current Term:	Fall	Winter	Spring/Summer	Year: _____
Supervising Professor's Name *:				

CV8100 provides various possibilities to pursue directed studies topics approved by the course supervisor and thesis supervisor, including other specialization course topics that are not offered on a formal 'in-class' basis. This course normally involves the preparation of a substantial research paper.

Provide a detailed course outline including a brief description, a list of reading materials and/or assignments, a bibliography, and the assessment scheme (attach additional pages if needed):

Final; Report submission deadline (normally by the final week of the term): \_\_\_\_\_

	Signature	Date
Student:		
Supervising Professor:		
Program Director:		

\* The supervising professor is normally the student's thesis supervisor; but can also be any other faculty member in the Civil Engineering program who is a member of the School of Graduate Studies at Ryerson University.
