

**Yeates School of Graduate Studies  
Graduate Program in Civil Engineering**

**PhD Supervisory Committee Approval Form**

**This form must be submitted to the Civil Engineering Graduate Program Administrator no later than ONE MONTH prior to the Candidacy Examination.**

The Candidacy Examination is normally conducted during a candidate's fifth term of enrollment, and must be held no later than 20 months from the date of initial registration. The student's Supervisor(s), after consultation with the student, will recommend to the Program Director the appointment of a Supervisory Committee of two to four persons, composed of the Supervisor (and co-Supervisor, if applicable) and at least one additional School of Graduate Studies faculty member from the student's program. Where appropriate, a School of Graduate Studies faculty member from outside the student's program, a faculty member from outside the School of Graduate Studies, or an expert professional in the field of the dissertation may be recommended as a member of the Supervisory Committee, subject to approval by the Dean of Graduate Studies.
