

## Faculty of Engineering and Architectural Science

### Ledcor Construction Ltd. Award (1 award) \$2,000 each

**Award for a 3rd or 4th year undergraduate student enrolled full time in Department of Architectural Science or Department of Civil Engineering , Faculty of Engineering and Architectural Science**

**APPLICATION DEADLINE: October 2, 2017 at 4:00p.m.**

#### Ledcor Construction Ltd. Award

The Award recognizes the combination of extra-curricular contributions in the field of study related to Architecture/Building/Construction and the academic achievements of a student enrolled full-time in the Department of Architectural Science or Department of Civil Engineering.

#### Eligibility and Application Process

Applicants must meet the following criteria:

- Student must be taking at least 80% of the course load and have successfully completed all courses from previous years.
- Have a record of clear standing.
- Demonstrate overall success in their studies with a CGPA of 3.0 or higher. The CGPA to be considered will include all the semesters completed at the time of the selection;
- Show evidence of leadership; commitment to the Architecture/Building/Construction profession; interest in a career in the architecture/Building/Construction industry; professional attitude concerning school and extra-curricular activities; demonstration of exceptional organizational skills and determination; concern for issues involving sustainability in construction.
- Apply in writing with a maximum of a two-page letter describing the applicant's strengths and accomplishments in academics and extra-curricular activities in areas described above.
- Include two letters of support from individuals in organizations that can comment on the applicant's contributions regarding the fourth item listed. No more than one letter can be from a faculty member within Ryerson University.

#### Criteria for Selection

Criteria	Weighting
Academic Standing (CGPA: 3.0 or higher)	30%
Leadership Commitment	30%
Letters of Support	<u>40%</u>
	100%

**Adjudication**

The Awards Selection Committees from each of the Architectural Science and Civil Engineering departments will review and rank qualified applicants from their departments. Each committee will identify qualified candidates. The two committees (or a representative from each) will meet to make the final selection of the recipient based on the weighted criteria set out above. If two or more applicants are ranked first, the Dean of the Faculty of Engineering and Architectural Science or his designate will make the final decision.

**Please submit an application letter outlining how you meet the criteria in a sealed envelope to the Department of Architectural Science, Awards Selection Committee, ARC 203, or to the Department of Civil Engineering, Awards Selection Committee, MON 221.**
