

Memorandum of Understanding – 9 FORMAT OF CURRICULUM VITAE

In Article 5, the parties have agreed that where members have an obligation to provide a curriculum vitae, they will do so in approved University format. The approved University format includes the following:

- the OCGS format, modified to cover the member’s entire professional career, and may include any other appropriate material. The format is made available to members online.
- The Canadian Common (CCV)
- Any other curriculum vitae format, as long as it contains the same level of detail as the OCGS and CCV format.
