SPRING RECEPTION

ABOUT

The Annual Spring Reception is the RPAA's signature event, raising funds to support students awards, engagement, and networking events throughout the year.

Past receptions have been sponsored by over 70 organizations and we often entertain approximately 300 guests. The event attracts leaders in community-building, land development, and complementary industries for an evening of networking and catching up over food and drinks in an interesting new location each year.

WHY SPONSOR?

Our generous sponsors over the years have enabled the creation of our \$90,000 Award Endowment Fund, allowing us to provide financial support for current planning students.

By sponsoring the Spring Reception, your firm will receive excellent visibility at a high-profile event for the planning industry. But, more importantly, you'll have the chance to reacquaint with old friends and form new connections!

This event and your contribution raise awareness for Ryerson's planning program while supporting future planners, enabling student awards, and continued investment in our Endowment.

Join alumni from the past 50 years for a truly special event!
