Faculty of Community Services
Academic Support & Resource Centre

Getting Started: RULA Research Help

- Book an In-Person Appointment: http://library.ryerson.ca/guides/book-an-appointment/
- Research Skills Workshops: http://library.ryerson.ca/guides/workshops/
- Chat with a Librarian: https://library.ryerson.ca/ask/
- Video Tutorials: http://library.ryerson.ca/guides/tutorials/

Database Directory by Program

This handout lists the most frequently used search databases specific to each program in the Faculty of Community Services for conducting research. Simply click on the links provided to access the databases appropriate to your area of study. Then enter the keywords for your search. For helpful tips on database commands/operators (i.e. “and”, “or”, “not”), consult the Commands for Database Searches handout.
