

## Ink Technician

Resource Label Group Canada Inc. - Toronto, ON

**Posting Date:** February 28, 2024  
**Vacancy Type:** Full-Time, Permanent  
**Division:** Ink Room  
**Location:** Scarborough, ON  
**Shift:** Preferably Weekends

At Resource Label Group, we are a full-service manufacturer of custom label design and printing for a wide range of industries. With full-scale capabilities coast-to-coast and 29 locations across North America, we are dedicated to delivering cutting-edge label printing with a national reach and local touch.

As Resource Label Group continues to grow, we are always looking for talented individuals to join our team! Every person in our company contributes to our success. We offer an employee-centric, collaborative culture that is technology-driven and focused on delivering valuable, creative solutions. Our core values embody the way we interact with each other just as it influences the way we interact with clients.

We are currently recruiting an experienced **Ink Technician** to join our team! In this role, you will be responsible for safely and efficiently blending press-ready inks to correctly fulfill customer's specifications. The ideal candidate will operate with a high level of attention to detail at all times. Previous experience in a printing, packaging or similar industry is highly preferred, label experience is a huge plus!

### Major Responsibilities

---

- Weighs and blends inks to meet the job specifications for each order.
- Measures LAB from drawdowns of mixed inks with a Spectrodensitometer.
- Follows appropriate quality control and inspection process for inks to ensure quality.
- Prepares and maintains accurate records and documentation to produce press-ready inks to meet production schedule.
- Adjust inks at press as necessary and assist with ink estimation for jobs going to press.
- Helps maintain the work-off ink process.
- Reviews press returns ink and inputs this ink back into inventory utilizing our HMJ ink system.

### Skills & Effort

---

- Support the facility by responding to requests for service and assistance promptly while meeting all commitments.
- Follows policies and procedures; Completes tasks correctly and on time; Supports organization's goals and values.
- Prioritizes and plans work activities; Uses time efficiently; Plans for additional resources; Sets goals and objectives.
- Demonstrates accuracy and thoroughness; Looks for ways to improve and promote quality; Applies feedback to improve performance; Monitors own work to ensure quality.

- Excellent teamwork, interpersonal, and communication skills; as well as a demonstrated initiative in problem-solving/troubleshooting required.
- No known allergic reactions to UV inks and coatings.

## Education and Experience

---

- High school diploma , general education degree (GED); or college degree in a related field preferred
- At least one (1) year of ink mixing, and color matching experience strongly preferred.
- Ability to read a ruler and use scales and other measuring devices with high attention to detail.
- Experience working in a manufacturing environment, printing, packaging, or similar industry experience is strongly preferred.
- The individual will frequently lift and/or move up to 35 pounds with or without mechanical assistance; loads over 35 pounds require the use of mechanical devices or assistance from other personnel.
- Specific vision abilities required by this job include close vision, color vision, depth perception, and ability to adjust focus.
- Can use and understand a Spectrodensitometer.
- Must have basic computer skills.

### Why work with us? Take a look at all we have to offer!

- Paid Time Off and Paid Holidays
- Comprehensive and Competitive Medical, Dental, and Vision coverage
- Long-Term Disability Insurance and Life Insurance
- We pride ourselves in investing in our employees by offering onsite training and the ability to have unlimited growth potential within our organization.
- We believe in rewarding our employees with performance-based salary increases.
