

Plan of Study

The Plan of Study establishes the plan and timeline for courses and/or non-course requirements that a student is expected to follow in order to complete their degree requirements. In consultation with the student, the faculty advisor/supervisor will recommend an initial Plan of Study and submit it to the GPD for approval.

The Plan of Study should be reviewed at a minimum of once each term, prior to course enrolment by the student for the following term, and any additions or changes should be discussed with and approved by the faculty advisor or supervisor and then the GPD.
