

ISOT- International Society of Optomechanical Technologies Scholarship

Faculty of Engineering and Architectural Science

Department of Mechanical and Industrial Engineering

(1 award)

\$1000

No application required

This award recognizes the academic achievement of a student who has completed the 3rd year in the Mechanical Engineering Program with excellence in the Mechatronics Option, and who is currently enrolled full-time in their 4th and final year. The student must have a Clear standing and a minimum CGPA of 3.0

Weighting of Criteria – weighted 50/50

- **Overall Cumulative Grade Point Average after the 5th and 6th semester of the Mechatronics Option**
- **Excellence in 5th & 6th semester courses related to Mechatronics (EES 508 Digital Systems, EES 612 Electric Machines and Actuators, MEC 733 Microprocessor Systems, MEC 709 Control Systems)**

Adjudication

The Department of Mechanical and Industrial Engineering Awards Committee will recommend the name of a candidate to the Chair for final selection.
