

Curriculum Vitae

FRANK A. RUSSO

Department of Psychology

Jorgenson Hall

Ryerson University

Toronto, ON, M5B 2K3, Canada

416-979-5000, x. 2647 (office), x. 4989 (lab)

<https://orcid.org/0000-0002-2939-6358>

Last updated: April 27, 2020

Degrees:

- 2002 PhD, *Psychology (Brain, Behavior & Cognitive Science)*, *Queen's U. at Kingston*
1995 MA, *Psychology*, *Queen's U. at Kingston*
1992 BA, *Specialized Honours in Psychology*, *York University*

Awards and Distinctions:

- 2020 Collaborative Research and Creative Activity Award, *Ryerson University*
2019 Dean's Teaching Award, Faculty of Arts, *Ryerson University*
2019 NSERC-Sonova Senior Industrial Research Chair in *Auditory Cognitive Neuroscience*
2016 Full Professor, *Ryerson University*
2016 Early Career Award and Medal, *International Commission for Acoustics* ("for outstanding contributions to psychological acoustics")
2013-19 Hear the World Research Chair in Music and Emotional Speech
2013 Elected to Fellow Status, *Canadian Psychological Association*
2012 Ryerson Fellow, *Massey College, U. Toronto*
2012 Early Career Award, *Canadian Society for Brain, Behaviour and Cognitive Science* ("for exceptional contributions to Brain, Behaviour and Cognition")
2012 Scholarly, Research and Creative Activity Award ("for outstanding achievement and impact"), *Ryerson University* (also received in 2007, -08, -10)
2011 Lectra Innovation Award, *International Textile and Apparel Association* ("for research innovation in wearable technology")
2011 Early Researcher Award, *Ontario Ministry of Research and Innovation* ("to attract and retain the best and brightest research talent")
2010 Founding member of Institute for Stress, Health, and Wellbeing, *Ryerson University*
2010 Nomination by Ryerson University for *Natural Science and Engineering Research Council, Science Promotion Award*
2009 Early Tenure, *Ryerson University*
2002 Shaw Postdoctoral Prize in Acoustics, *Canadian Acoustical Association*

Dissemination Summary:

2885 | citations
 30 | h-index
 56 | i10-index
123 | peer-reviewed papers
 83 | journal papers
 75 | published
 08 | under review
 52 | proceedings papers
02 | edited books
14 | book chapters
11 | non-peer reviewed papers
16 | keynotes and plenaries
62 | invited talks and colloquia
163 | conference presentations without proceedings
17 | public and professionally related talks
02 | patents
04 | national and international reports and standards

Grants Summary:

05 Active Grants
 3 Active Research Grants as PI = \$3,776,233
 0 Active Research Grants as CI = \$0
 1 Active Knowledge Translation Grant = \$18,000
 1 Active Training Grants as Academic Supervisor = \$80,000
32 Completed Grants
 17 Completed Research Grants as PI = \$1,932,840
 11 Completed Research Grants as CI = \$5,588,007
 0 Completed Knowledge Translation Grants = \$0
 4 Completed Training Grants as Academic Supervisor = \$421,500

Supervision/Examination Summary:

Post-Doc Supervisions: 5 completed; 2 current
PhD Supervisions: 6 completed; 3 current
PhD Supervisory Committees: 2 completed; 1 current
PhD External Examinations: 5 completed
MA/MSc Supervisions: 10 completed; 3 current
MA/MSc Supervisory Committees: 11 completed; 1 current
MA/MSc External Examinations: 17 completed
Comprehensive Committees: 4 completed; 1 current
Graduate Practicum Supervisions: 8 completed; 0 current
Undergraduate Practicum Supervisions: 7 completed; 3 current
Fellowship/Internship/Independent Study Supervisions: 9 completed; 0 current
Honors Thesis Supervisions: 25 completed; 0 current
Other HQP (not including volunteers): 48 completed; 3 current

Academic Positions / Affiliations:

2018-	Professor (Status)	Department of Speech-Language Pathology, Rehabilitation Science, Faculty of Medicine, University of Toronto
2017-	Member	McMaster Institute for Music and the Mind (MIMM), McMaster University
2016-	Professor (Full, Tenure)	Department of Psychology, Faculty of Arts, Ryerson University
2012-	Professor (Status)	Music and Health Research Collaboratory (MaHRC), Faculty of Music, University of Toronto
2011-	Affiliate Scientist	Toronto Rehabilitation Institute
2016	Visiting Professor	Department of Computer Science, National University of Singapore, Singapore
2012-13	Visiting Professor	Department of Health Sciences and Technology, ETH Zürich, Switzerland
2012-13	Visiting Scientist	Phonak AG, Zürich, Advanced Concepts and Technologies, Switzerland
2012-13	Ryerson-Massey Fellow (inaugural)	Massey College, University of Toronto
2010-16	Associate Professor (Tenure)	Department of Psychology, Faculty of Arts, Ryerson University
2009-12	Director of Psychological Science Training (inaugural)	Department of Psychology, Faculty of Arts, Ryerson University
2006-10	Assistant Professor	Department of Psychology, Faculty of Arts, Ryerson University
2006-07	Adjunct Research Professor (Status)	Centre for Biological Communication Systems, University of Toronto
2004-06	Postdoctoral Fellow	M. Kathy Pichora-Fuller, CIHR Strategic Training Network on Communication in Healthy Aging: Gerontology (Toronto), Audiology (Montreal), Human Factors (Calgary)
2002-06	Postdoctoral Fellow	William Forde Thompson, Psychology, University of Toronto

Peer-Reviewed Journal Papers | Review in Process

1. Wood, E. A., Rovetti, J., & Russo, F. A. (under review). Vocal-motor interference disrupts the memory advantage for vocal melodies. *Brain and Cognition*.
2. Good, A., Choma, B., Peets, K., & Russo, F. A. (under review). Singing foreign songs promotes shared common humanity in elementary school children. *Journal of Applied Social Psychology*.
3. Rovetti, J., Goy, H., Nurgitz, R., & Russo, F. A. (under review). Comparing verbal working memory load in auditory and visual modalities using functional near-infrared spectroscopy. *Neuropsychologia*.
4. Good, A., Sims, L., Clarke, K., & Russo, F. A. (under review). First Nations youth reconnect with culture: The evaluation of a community and school-based traditional song and dance program. *Journal of Community Psychology*.
5. Peck, K., Russo, F. A., Campos, J., & Keshavarz, B. (under review). The Sound of Sickness: How Music Affects Visually Induced Motion Sickness. *Experimental Brain Research*.
6. Nespoli, G., Goy, H., Singh, G., & Russo, F. A. (under review). The Effects of Hearing Loss and Hearing Aids on Physiological Responses to Emotion in Speech. *Trends in Hearing*
7. Nespoli, G., & Russo, F. A. (under review). Groove selectively modulates neural entrainment in premotor cortices. *Experimental Brain Research*.
8. McGarry, L. M. & Russo, F. A. (under review). Dance to the music: The effects of movement on emotional responsiveness to music. *Music Perception*.

Peer-Reviewed Journal Papers | Published

9. Good, A., Kreutz, G., Choma, B., Fiocco, A. & Russo, F. A. (under review). Protocol and preliminary update on the Singwell Partnership Project: Understanding group singing in older adults from a biopsychosocial perspective. *World Health Organizations Public Health Panorama*.
10. Lauzon, A., Russo, F. A., & Harris, L. (in press). The influence of rhythm on detection of auditory and vibrotactile asynchronies. *Experimental Brain Research*.
11. Russo, F. A., (in press). Joint speech and its relation to joint action. *Music Perception*.
12. Dubinsky, E., Wood, E., Nespoli, G., & Russo, F. A. (2019). Effects of a short-term singing intervention on speech perception in noise in older adults. *Frontiers in Neuroscience*, 13, 1153. <https://doi.org/10.3389/fnins.2019.01153>

13. Rovetti, J., Goy, H., Pichora-Fuller, M. K., & Russo, F. A. (2019). Functional near-infrared spectroscopy as a measure of listening effort in older adults who use hearing aids. *Trends in Hearing*, 23. <https://journals.sagepub.com/doi/pdf/10.1177/2331216519886722>
14. Russo, F. A., Vuvan, D. T., & Thompson, W. F. (2019). Vowel content influences relative pitch perception in vocal melodies. *Music Perception*, 37(1), 57-65. <https://doi.org/10.1525/mp.2019.37.1.57>
15. Sharma, V., Thaut, M. H., Russo, F. A., & Alain, C. (2019). Absolute pitch and musical expertise modulate neuro-electric and behavioral responses in an auditory stroop paradigm. *Frontiers in Neuroscience*, 13, 932. <https://doi.org/10.3389/fnins.2019.00932>
16. Picou, E., Singh, G., Goy, H., Russo, F. A., Hickson, L., Oxenham, A., Buono, G., Ricketts, T., & Launer, S. (2018). Hearing, Emotion, Amplification, Research, and Training (HEART) workshop: Current understanding of hearing loss and emotion perception and priorities for future research. *Trends in Hearing*. <https://doi.org/10.1177/2331216518803215>
17. Goy, H., Pichora-Fuller, M. K., Singh, G., & Russo, F. A. (2018). Hearing aids benefit recognition of words in emotional speech but not emotion identification. *Trends in Hearing*. <https://doi.org/10.1177/2331216518801736>
18. Busse, V., Jungclaus, J., Roden, I., Russo, F. A., & Kreutz, G. (2018). Combining song–and speech-based language teaching: An intervention with recently migrated children. *Frontiers in Psychology*, 9, 2386. <https://doi.org/10.3389/fpsyg.2018.02386>
19. Singh, G., Liskovoi, L., Launer, S., & Russo, F. A. (2018). The Emotional Communication in Hearing Questionnaire (EMO-CHeQ): Development and validation. *Ear and Hearing*, 40(2), 260-271. <https://doi.org/10.1097/AUD.0000000000000611>
20. Livingstone, S. R., & Russo, F. A., (2018). The Ryerson Audio-Visual Database of Emotional Speech and Song (RAVDESS): A dynamic, multimodal set of facial and vocal expressions in North American English. *PLoS ONE* 13(5): e0196391. <https://doi.org/10.1371/journal.pone.0196391>

Keynotes and Plenaries

1. Russo, F.A. (2020, August 20). *TBD*. Granlibakken Conference Center, Lake Tahoe, CA. International Hearing Aid Research Conference (IHCON), Granlibakken Conference Center, Lake Tahoe, CA
2. Russo, F. A. (2020, May 29). *TBD. Music and Science Symposium*. Memorial University, St. John's, NL.
3. Russo, F.A. (2019, November 6). *Singwell: Understanding group singing from a biopsychosocial perspective*. Keynote at BRAMS – CRBLM Lecture Series, Université de Montréal, Montreal, PQ
4. Russo, F. A. (2018, Sep 15). *Challenges and opportunities for enhancing the experience of music in hearing aid and cochlear implant users*. 7th Samsung International Symposium on Hearing Aids (SISHA). Seoul, Korea.
5. Russo, F. A. (2017, Nov 18). *Challenges and new opportunities for advancing the experience of music in hearing impaired and hearing aided individuals*. Plenary at Neuromusic, McMaster University, Hamilton, ON.
6. Russo, F. A. (2016, Sep 5). *Understanding music perception from the perspective of oscillation and resonance*. Plenary at 22nd International Congress of Acoustics, Buenos Aires, Argentina.
7. Russo, F. A. (2015, Oct 21). *Music and emotional speech in hearing impaired and hearing aided listeners*. Canadian Academy of Audiology. Plenary at Pre-Conference Workshop on Music, Hearing Aids, and Research. Niagara Falls, ON.
8. Russo, F. A. (2014, July 8). *On the nature, effects, and origins of bottom-up principles of melodic expectation*. Plenary Speaker at Milestones in Music Cognition: A Quarter-Century Celebration of Books by Bregman, Krumhansl and Narmour (BKN25). McGill University, Montreal, PQ.
9. Russo, F. A. (2014, February 7). *Understanding music and emotional communication from the perspective of synchronization*. Keynote at the 43rd annual meeting of the Lake Ontario Visionary Establishment (LOVE) Conference. Niagara Falls, ON.
10. Russo, F. A. (2013, October 8). *Aging, Cognition, and Music: Implications for Speech Communication*. Keynote speaker for 5th International and Interdisciplinary Research Conference, Indiana University, Bloomington, IN.
11. Russo, F. A. (2013, May 27). *On music, mind and technology*. Keynote at BEST (Biomedical Engineering & Sciences Technology) Annual Research Symposium. St. Michael's Hospital, Toronto, ON.

12. Russo, F. A. (2012, October 11). *From sound waves to brain waves and points in between*. Keynote at Acoustics Week in Canada, Banff, AB.
13. Russo, F. A. (2012, January 28). *Cognitively based music information retrieval*. Keynote at Meeting of the North-East Music Informatics Group, Dartmouth College, Hanover, NH.
14. Russo, F. A. (2011, November 4). *The role of movement and simulation of movement in understanding music*. Plenary at the Annual Symposium of the McMaster Institute for Music and the Mind, McMaster University, Hamilton, ON.
15. Russo, F. A. (2010, October 8). *Perception of Music: Problems and Prospects*. Plenary at Canadian Academy of Audiology Conference, Montreal, QC.
16. Russo, F. A. (2008, March 1). *The Science of Music Experience*. Keynote at 23rd Annual Seminars on Audition, Mississauga, ON.

Invited Talks and Colloquia

1. Russo, F.A. (2019, November 1). *Singwell: Understanding group singing from a biopsychosocial perspective*. Brain, Perception and Cognition (BPAC), Ryerson University. Toronto, ON
2. Russo, F.A. (2019, July 17). Benefits of music-based training for supporting speech outcomes in CI users. Conference on Implantable Auditory Prostheses (CIAP), Granlibakken Conference Center, Lake Tahoe, CA
3. Russo, F. A. (2019, March 28). *Using the Adaptive Music Perception (AMP) test to understand the effects of hearing loss and hearing aids on the perception of musical scenes*. Invited Talk at Symposium on (Musical) Auditory Scene Analysis. Hanse-Wissenschaftskolleg Institute for Advanced Study, Delmenhorst, Germany
4. Russo, F. A. (2019, March 7), *What is the role of the motor system in the perception of music and emotional speech?* Science, the Arts & Possibilities in Perception, University of Arizona, Tempe, Arizona
5. Russo, F. A. (2018, Feb 26). *Understanding the benefits of singing for health and wellbeing in people living with communication difficulties*. Research Rounds. Toronto Rehabilitation Institute. Toronto, Canada
6. Russo, F.A. (2017, Sep 21). *Challenges and new opportunities for advancing the experience of music in hearing impaired and hearing aided individuals*. Colloquium at Center for Hearing (European Cluster of Excellence: Hearing4all), Carl von Ossietzky Universität Oldenburg, Oldenburg, Germany

7. Russo, F.A. (2017, Sep 18). Understanding the benefits of singing for health and well-being: An interdisciplinary perspective. Invited Talk at Systematische Musikwissenschaft, Carl von Ossietzky Universität Oldenburg, Oldenburg, Germany
8. Russo, F.A. (2017, April 11). *Towards a theory for understanding the socio-emotional benefits of singing*. Program for Music, Mind and Society, Vanderbilt, Nashville, TN.
9. Russo, F.A. (2016, Nov 18). *Music, mood regulation, and prosocial behavior*. Radical Collaborations Forensic Psychiatry Research Event, St. Joseph's Healthcare, Hamilton, ON.
10. Russo, F.A. (2016, Oct 18). *Joint music making as a tool for supporting socio-emotional relations*. MaHRC, Faculty of Music, University of Toronto, Toronto, ON.
11. Russo, F. A. (2016, Sep 28). *Vibrotactile perception of music: Physiological, Psychophysical, and Psychological perspectives*. Department of Computer Science, National University of Singapore, Singapore.
12. Russo, F.A. (2016, Sep 21). *Perception of Music in Hearing Aids*. Invited presentation at World Congress of Audiology, Vancouver, BC.
13. Russo, F.A. (2016, Sep 21). *Perception of emotion in speech in normal, hearing impaired and hearing aided listeners*. Invited presentation at World Congress of Audiology, Vancouver, BC.
14. Russo, F.A. (2016, Sep 19). *Effect of Music Participation in Older Adults with Hearing Loss and Children with Cochlear Implants*. Invited Paper at World Congress of Audiology, Vancouver, BC.
15. Russo, F. A. (2016, Feb 10). *Music and Emotion*. Room 217 Webinar.
16. Russo, F. A. (2016, Jan 20). *Effects of music training on auditory processing in deaf children with CIs and adults with hearing impairment*. Invited presentation at Cochlear Implant Program, Sick Children's Hospital. Toronto, ON.
17. Russo, F. A. (2015, Dec 10). *Oscillatory brain dynamics underlying perception of pitch, rhythm and emotion in music and speech*. Invited "Idea Lecture". Department of Neuroscience. Max Planck Institute for Empirical Aesthetics. Frankfurt, Germany
18. Singh, G., & Russo, F. A. (2015, Dec 8). *More than a feeling: An audiological exploration of affective speech*. Invited Presentation: Phonak/Sonova. Stäfa, Switzerland.
19. Russo, F. A. (2015, July 1). *A neuro-cognitive perspective on the efficacy of singing in foreign-language learning*. Invited presentation at the "Science of Learning" symposium organized by the National Research Foundation (NRF), Singapore.

20. Russo, F. A. (2015, May 30). *Music as a technology for oscillatory coupling within and between brains*. Invited Presentation: Subtle Technologies Festival, Toronto, ON.
21. Russo, F. A. (2015, May 8). *Combining neuroscience with machine learning to track emotional response*. Invited Presentation: Digifest 2015, Toronto, ON.
22. Russo, F. A. (2015, Mar 29). *Cuckoo clocks in the brain: Understanding the perception of music from the perspective of oscillatory dynamics*. Invited Presentation for the Department of Music, McMaster University, Hamilton, ON.
23. Russo, F. A. (2015, Mar 25). *Clarifying the connections between music, hearing, and emotional communication*. Colloquium: MaHRC, University of Toronto. Toronto, ON.
24. Russo, F. A. (2015, Jan 28). *Oscillatory brain dynamics underlying perception of pitch, rhythm and emotion in music and speech*. Cognitive Science Speaker Series, York University. Toronto, ON.
25. Russo, F. A. (2014, Dec 5). *Oscillatory brain dynamics and music*. Colloquium: University of Arkansas, Fayetteville, AR.
26. Russo, F. A. (2014, April 11). *Music and motor resonance*. Invited speaker for Perioperative Rounds, St. Michael's Hospital, Toronto, ON.
27. Russo, F. A. (2014, April 4). *Music and emotional speech from the perspective of resonance*. *Psychology and Neuroscience Colloquium Series*, Dalhousie University, Halifax, NS
28. Russo, F. A. (2014, March 22). *Music and age-related changes in hearing: Peripheral and central remediation*. Invited Speaker at Eastman/UR/Cornell Music Cognition Symposium, Rochester, NY.
29. Russo, F. A. (2014, March 22). *The role of synchronization in perception of musical structure and emotion*. Invited Speaker at The Eastman/UR/Cornell Music Cognition Symposium, Rochester, NY.
30. Russo, F. A. & Livingstone, S. R. (2013, November 8). *A novel singing therapy to support vocal-emotional communication in Parkinson's Disease: Preliminary Findings*. Invited speaker for Music and Neurological Rehabilitation Research Symposium, MaHRC, Faculty of Music, University of Toronto, Toronto, ON.
31. Russo, F.A. (2013, April 23). *On music, movement and synchronization*. York University, Neuroscience Lectures Series, Toronto, ON.
32. Russo, F. A. (2013, January 23). *The role of movement in musical emotion*. Colloquium: Swiss Center for Affective Sciences, University of Geneva, Geneva, Switzerland.

33. Russo, F. A. (2013, January 21). *Perception of music and emotional prosody: Problems and Prospects*. Invited Presentation: Phonak/Sonova. Stäfa, Switzerland.
34. Russo, F. A. (2012, November 16). *On musical synchronization*. Psychology Distinguished Lecturer Series, Queen's University, Kingston, ON.
35. Russo, F.A. (2012, October 12). *Vocal-emotional communication in Parkinson's Disease*. Invited Presentation: Hotchkiss Brain Institute, University of Calgary, Calgary, AB.
36. Russo, F. A. (2012, September 13). *A primer on hearing and feeling vibration*. Invited Presentation: School of Interior Design, Ryerson University, Toronto, ON.
37. Russo, F. A. (2012, September 8). *Non-auditory methods for improving music listening with hearing aids*. Invited Presentation: Association of Adult Musicians with Hearing Loss, Web-based conference.
38. Russo, F. A. (2011, December 6). *Sensorimotor interactions in vocal-emotional communication*. Toronto Rehabilitation Institute, Toronto, ON.
39. Russo, F. A. (2011, November 1). *Music and emotion*. Colloquy on Music Psychology and Neuroscience, Faculty of Music, University of Toronto, Toronto, ON.
40. Russo, F. A. (2011, May 19). *Movement, Mimicry and Emotion in Music*. International Laboratory for Brain, Music and Sound Research (BRAMS), University of Montreal, Montreal, PQ.
41. Russo, F. A. (2010, November 23). *Assistive technology for music and beyond*. Sensory and Neural Systems Group, Institute of biomaterials and biomedical engineering. University of Toronto. Toronto, ON.
42. Russo, F. A. (2010, November 11). *Can we experience music without sound?* TEDx public lecture. Organized by tedxiboyork.com. Ontario Science Centre, Toronto, ON.
43. Russo, F. A., Fels, D. I., (2010, June 12). *Feeling the music: Potential uses of audio-tactile music in therapy*. Invited Lecture for Music Therapy Association of British Columbia, Capilano University. North Vancouver, BC.
44. Fels, D. I., & Russo, F. A. (2010, June 11). *Emoti-chair: Motivation, Design, Experimentation, Future*. Media and Graphics Interdisciplinary Centre (MAGIC), University of British Columbia, Vancouver, BC
45. Russo, F. A. (2010, May 30). Invited panelist for Jeanette Bicknell's *Why Music Moves Us*, Canadian Society for Aesthetics, 2010 Congress of the Humanities and Social Sciences, Montreal

46. Russo, F. A. (2010, March 26). *Soundspace / Soundscape: Toronto Sound Map Project*, Faculty of Architecture, University of Toronto, Toronto, ON
47. Russo, F. A. (2010, January 13). *Music without sound*. Cochlear Implant Program, Sick Children's Hospital. Toronto, ON.
48. Russo, F. A., with Cohen, A., Edwards, D., O'Farrell, L. (2009, December). *Advancing Interdisciplinary Research on Singing*. Invited Lecture at Canadian Symposium for Arts and Learning, Royal Conservatory of Music, Toronto, ON.
49. Russo, F. A. (2009, December 9). *Bridging hearing science with music cognition*. Department of Speech-Language Pathology, University of Toronto, Toronto, ON.
50. Russo, F. A. (2009, February 24). *Discover your hidden Diva: Electromyographic evidence for imitation in perception of song*. Ryerson Music Series: Interdisciplinary Perspectives, Ryerson University, Toronto, ON.
51. Maksimowski, M. & Russo, F. A. (2008, December 18). *Listening by ear and hand*. Macarthur Auditory Research Centre, University of Western Sydney. Bankstown, Australia.
52. Russo, F. A. (2006, November). *Soundtrack of your life*. Invited talk for the Life Institute, G. Raymond Chang School of Continuing Education, Ryerson University, Toronto, ON.
53. Russo, F. A. (2005 / 2006). *Multidimensional and Multimodal Integration in Music*, Arizona State University, Case Western Reserve University, Knox College, Mount Allison University, Ryerson University, University of Lethbridge, Wilfrid Laurier University.
54. Russo, F. A., & Jones, J. A. (2005, June). *Transportation Safety: A Human Focus*. Invited Talk for National Transportation Summit, Toronto, ON.
55. Russo, F. A. (2004, February). *Some observations concerning the phenomenology of interval size*. University of Toronto at Mississauga, Human Communication Colloquium Series, Mississauga, ON.
56. Russo, F. A. (2002, December). *Detection and urgency of warning signals*. University of Toronto at Mississauga, Human Communication Colloquium Series, Mississauga, ON.
57. Russo, F. A. (2003, January). *Age-related changes in music perception*. Auditory Workshop, CIHR Healthy Aging Strategic Training Program.
58. Russo, F. A., Galembo, A., & Cuddy, L. L. (2000, October). *Why some of us have trouble hearing the DO despite the DO-RE-MI*. Queen's University, Brain, Behaviour, and Cognitive Science Colloquium Series. Kingston, ON.

59. Russo, F. A., & Cuddy, L. L. (1998, April). *A reprise for motor theory: The influence of vocal constraints on expectancy and cohesion in melody*. University of Toronto at Scarborough, Cognition and Perception Colloquium Series. Scarborough, ON.
60. Russo, F. A., & Sturdy, C. B. (1996, October). *How a chickadee can hear a chickadee despite the dawn chorus: Natural solutions to problems with sound propagation in noisy environments*. Queen's University, Brain, Behaviour, and Cognitive Science Colloquium Series. Kingston, ON.
61. Russo, F. A. (1995, November). *The Gestalts of melodic perception*. Queen's University, Brain, Behaviour, and Cognitive Science Colloquium Series. Kingston, ON.

Conference presentations without proceedings:

1. Russo, F. A., Schutz, M., & Copelli, F. (2018, July 7). *Event-related desynchronization of the mu rhythm in experts and non-experts during audio, visual, and audio-visual perception of percussion*. Paper at Canadian Society for Brain, Behavior and Cognitive Science. St. John's, NL.
2. Nurgitz, R., Rovetti, J., Goy, H., & Russo, F. A. (2018, June 27). *Hearing Difficulty and Cognitive Load: Using Optical Imaging to Measure Listening Effort*. Poster at International Congress of Applied Psychology. Montreal, PQ.
3. Gilmore, S., & Russo, F. A. (2018, June 15). *Feeling the beat: An exploration into the neural correlates of somatosensory beat perception*. Poster at International Multisensory Research Forum. Toronto, ON.
4. Russo, F. A. (2018, June 16). *The multisensory perception of music*. Paper at International Multisensory Research Forum. Toronto, Canada.
5. Scholey, E., & Russo, F. A. (2018, Feb 8). *Music Listening in Older Adults: Hearing Loss Mitigates Psychological and Physiological Arousal*. Poster at Lake Ontario Visionary Establishment (LOVE) Conference, Niagara Falls, ON.
6. Wood, E., Dubinsky, E., Gilmore, S., & Russo, F. A. (2018, Feb 9). *Effects of continued choir training on speech-in-noise abilities in older adults*. Poster at Lake Ontario Visionary Establishment (LOVE) Conference, Niagara Falls, ON.
7. Rovetti, J., Nurgitz, R., Copelli, F., Goy, H., & Russo, F. A. (2018, Feb 9). *Using functional near-infrared spectroscopy to measure cognitive load in the auditory domain*. Poster at Lake Ontario Visionary Establishment (LOVE) Conference, Niagara Falls, ON.

8. Wood, E., Dubinsky, E., Gilmore, S., & Russo, F. A. (2017, Nov 18). *The impact of continued choir training on auditory perception abilities in older adults*. Poster at Neuromusic Conference. McMaster Institute for Music and the Mind, Hamilton, ON.
9. Fanelli, D., Good, A. J., Russo, F. A. (2017, Nov 18). *Perception of Emotion in Music by Hearing-Impaired and Hearing-Aided Listeners*. Poster at Neuromusic Conference. McMaster Institute for Music and the Mind, Hamilton, ON.
10. Rovetti, J., Nurgitz, R., Copelli, F., Goy, H., & Russo, F. A. (2017, Nov 18). *Using functional optical neuroimaging to measure auditory working memory load*. Poster at Neuromusic Conference. McMaster Institute for Music and the Mind, Hamilton, ON.
11. Gilmore, S., Nespoli, G., Russo, F. A. (2017, Nov 18). *The Neural Correlates of Tactile Beat Perception*. Neuromusic Conference. Poster at McMaster Institute for Music and the Mind, Hamilton, ON.
12. Scholey, E. (2017, Nov 18). *Emotional and physiological responses to music in hearing impaired and hearing aided listeners*. Poster at Neuromusic Conference. McMaster Institute for Music and the Mind, Hamilton, ON.
13. Kirchberger, M., Goy, H., & Russo, F. A. (2017, Nov 18). *Performance of listeners with and without hearing aids on the Adaptive Music Perception test*. Poster at Neuromusic Conference. McMaster Institute for Music and the Mind, Hamilton, ON.
14. Nespoli, G. A., Gilmore, S., Russo, F. A. (2017, Oct 12). *Brain Entrain: Acoustic features of music that drive you to synch*. Paper at Acoustics Week in Canada. Guelph, ON.
15. Dubinsky, E., Nespoli, G. A., Russo, F. A. (2017, Oct 12), *Effects of short-term choir participation on auditory perception in older adults*. Paper at Acoustics Week in Canada. Guelph, ON.
16. Russo, F. A., (2017, Oct 12). *Teaching acoustics to psychology and neuroscience students*. Paper at Acoustics Week in Canada. Guelph, ON.
17. Russo, F. A., & Good, A. (2017, August 1). *Joint music making influences intergroup relations in a minimal groups paradigm*. Poster at Biannual meeting of the Society for Music Perception and Cognition. San Diego, CA.
18. Fanelli, D., Good, A., Russo, F. A. (2017, August 1). *Perception of Emotion in Music by Hearing-Impaired and Hearing- Aided Listeners*. Poser at Biannual meeting of the Society for Music Perception and Cognition. San Diego, CA.
19. Russo, F. A., & Dubinsky, E. (2017, June 17). *Benefits of music training in older adults with age-related hearing loss*. Symposium (Organizer) and Paper at Neurosciences and Music VI: Music, Sound and Health. Harvard Medical School, Boston, MA.

20. Dubinsky, E., & Russo, F.A. (2017, June 17). *Effect of musical training and choir participation on auditory perception in older adults*. Poster at Neurosciences and Music VI: Music, Sound and Health. Harvard Medical School, Boston, MA.
21. Nespoli, G., Gilmore, S., & Russo, F. A. (2017, June 16). *Acoustic features of music that drive neural entrainment*. Poster at Neurosciences and Music VI: Music, Sound and Health. Harvard Medical School, Boston, MA.
22. Schutz, M., Copelli, F., Ammirante, P., & Russo, F. A. (2017, June 16). *Hearing (and seeing) the beat of a different drummer: Audio-visual facilitation of the action-observation network*. Poster at Neurosciences and Music VI: Music, Sound and Health. Harvard Medical School, Boston, MA.
23. Lauzon, A. P., Russo, F.A., & Harris, L. R. (2017, June 14). *There's something about that groove: The influence of rhythm on detection of auditory and vibrotactile asynchronies*. Paper at Neural Entrainment and Rhythmic Dynamics (NERD) meeting. Boston, MA.
24. Russo, F. A. & Dubinsky, E. (2017, June 9). *A pilot study to investigate the potential benefits of singing for rehabilitation of age-related hearing loss*. Special Session on Innovations in Applied Cognitive Psychology. Paper at Convention of the Canadian Psychological Association, Toronto, ON.
25. Good, A., & Russo, F. A. (2017, June 9). *Positive effect of group singing on cooperative behaviours in children*. Paper at Convention of the Canadian Psychological Association, Toronto, ON.
26. Russo, F. A., Fanelli, D. (2016, Sep 23). *Perception of emotion in music by hearing-impaired and hearing-aided listeners*. Paper at Acoustics Week in Canada, Vancouver, BC.
27. Russo, F. A., Ammirante, P., & Patel, A. D. (2016, Sep 22). *Auditory, tactile and bimodal synchronization to the beat: A test of the auditory-motor enhancement hypothesis*. Paper at Acoustics Week in Canada, Vancouver, BC.
28. Vempala, N. N., & Russo, F. A. (2016, July 10). *A comparison of machine learning methods as models for predicting music emotion appraisals*. Paper at International Conference for Music Perception and Cognition. San Francisco, CA.
29. Nespoli, G., & Russo, F.A. (2016, July 8). *Perceived groove and neuronal entrainment to the beat*. Poster at International Conference for Music Perception and Cognition. San Francisco, CA.
30. Russo, F.A., & Ammirante, P. (2016, July 8). *Vibrotactile perception of music*. Paper at International Conference for Music Perception and Cognition. San Francisco, CA.

31. Dubinsky, E., Nespoli, G., Ammirante, P., Smith, L., & Russo, F. A. (2016, July 7). Effect of musical training on auditory perception in older adults. Paper at International Conference for Music Perception and Cognition. San Francisco, CA.
32. Nespoli, G., & Russo, F.A. (2016, July 7). *The effects of hearing aids and hearing impairment on the physiological response to emotional speech*. Poster at International Conference for Music Perception and Cognition. San Francisco, CA.
33. Russo, F.A. (2016, July 6). *Effects of choral singing on facial and vocal expressiveness in people living with Parkinson's Disease*. Paper at International Conference for Music Perception and Cognition. San Francisco, CA.
34. Goy, H., Pichora-Fuller, M.K., Singh, G., Russo, F.A. (2016, March 5). *Perception of emotional speech by listeners with hearing aids*. Poster at 43rd Annual Scientific and Technology Meeting, American Auditory Society, Scottsdale, AZ.
35. Livingstone, S., Vezer, E., & Russo, F. A. (2015, November 14). *Singing therapy to rehabilitate facial mimicry in Parkinson's disease*. Poster at Neuromusic. McMaster Institute for Music and the Mind, Hamilton, ON
36. Dubinsky, E., Nespoli, G., Ammirante, P., & Russo, F. A. (2015, November 14). *Effect of musical training on auditory perception in hearing impaired older adults*. Poster at Neuromusic. McMaster Institute for Music and the Mind, Hamilton, ON
37. Goy, H., Pichora-Fuller, M. K., Singh, G., & Russo, F.A. (2015, October 21). *Perception of emotional speech by listeners with hearing aids*. Poster at Canadian Academy of Audiology. Niagara Falls, ON.
38. McGarry, L. M., Cross, E., Russo, F. A., Ramsay, R. (2015, October 19). *The role of the mirror system in the audio and visual perception of emotional hand actions*. Poster at the Society for Neuroscience. Chicago, IL.
39. Behar, A., & Russo, F. A. (2015, October 8). *Comfort from Using Foam Earplugs*. Paper at Acoustics Week in Canada. Halifax, NS.
40. Russo, F. A., & Livingstone, S. L. (2015, October 7). *The Ryerson Audio-Visual Database of Emotional Speech and Song*. Paper at Acoustics Week in Canada. Halifax, NS.
41. Good, A., & Russo, F. A. (2015, August 3). Singing and multi-cultural group cohesion. Paper at the Biannual Meeting of the Society for Music Perception and Cognition. Nashville, TN.
42. Nespoli, G., Ammirante, P., & Russo, F.A. (2015, August 3). Entrainment of neural oscillations to auditory stimuli at multiple timescales. Poster at the Biannual Meeting of the Society for Music Perception and Cognition. Nashville, TN.

43. McGarry, L. M., & Russo, F. A. (2015, August 3). The acting game: Mimicry of emotional song and speech to enhance emotion skills in autism. Poster at the Biannual Meeting of the Society for Music Perception and Cognition. Nashville, TN.
44. Vempala, N. N., & Russo, F. A. (2015, August 3). Understanding the role of audio features in continuous assessments of musical emotion. Paper at the Biannual Meeting of the Society for Music Perception and Cognition. Nashville, TN.
45. Ammirante, P., & Russo, F. A., (2015, August 2). Low-skip bias: The distribution of skips across the pitch ranges of vocal and instrumental melodies is vocally constrained. Paper at the Biannual Meeting of the Society for Music Perception and Cognition. Nashville, TN.
46. Nespoli, G., Ammirante, P., Russo, F. A. (2015, March 30). *Neuronal entrainment to auditory stimuli at multiple timescales*. Poster at Cognitive Neuroscience. San Francisco, CA.
47. Russo, F. A. (2014, August 7). *Understanding the perception of music from the perspective of oscillatory activity within and between brain networks*. Paper at the 13th International Conference for Music Perception and Cognition. Seoul, Korea.
48. McGarry, L. M., Russo, F.A., Cross, E. S. (2014, July 5). *The role of the mirror system in processing emotional action in visual and auditory modalities*. Paper at Annual meeting of the Canadian Society of Brain Behavior and Cognitive Science, Toronto, ON.
49. Vempala, N. N., & Russo, F.A. (2014, July 5). *Computationally Modeling Musical Emotion Appraisals Using Audio and Physiological Features*. Paper at Annual meeting of the Canadian Society of Brain Behavior and Cognitive Science, Toronto, ON.
50. Russo, F. A., (2014, July 4). *Coordination of expressive movements with music: Underlying mechanisms and novel treatments for emotion processing disorders*. Paper at Conjoint Cognition Symposium: Annual meeting of the Canadian Society of Brain Behavior and Cognitive Science, Toronto, ON.
51. Peck, K., Livingstone, S. R., & Russo, F. A. (2014, July 4). *The Effects of Facial Attractiveness on Spontaneous Facial Mimicry*. Poster at Annual meeting of the Canadian Society of Brain Behavior and Cognitive Science, Toronto, ON.
52. Nespoli, G., Ammirante, P. & Russo, F. A. (2014, July 4). *Musicianship and Neural Synchronization at Multiple Timescales*. Poster at Annual meeting of the Canadian Society of Brain Behavior and Cognitive Science, Toronto, ON.
53. Livingstone, S. R., McGarry, L.M., Stinson, L., & Russo, F. A. (2014, June 26). *A novel singing therapy to support emotional communication in Parkinson's Disease*. Paper at International Association of Music and Medicine, Toronto, ON.

54. McGarry, L. M., & Russo, F. A. (2014, June 26). *Music as a tool to support mirror neuron system*. Paper at International Association of Music and Medicine, Toronto, ON.
55. Russo, F. A., Good, A., Nespoli, G., Gordon, K., & Papsin, B. (2014, June 6). *Potential benefits of music and multi-modal training on perception of emotional prosody in children with cochlear implants*. Paper at Hearing Across the Lifespan, Cernobbio, Italy.
56. Russo, F. A., (2014, June 1). *Preliminary outcomes of a novel singing therapy to restore expressive deficits in Parkinson's disease*. Poster at Neuromusic Conference: Cognitive Stimulation and Rehabilitation, Dijon, France.
57. McGarry, L., Pineda, J., & Russo, F. A. (2014, April 7). EEG mu wave desynchronization during emotion judgments of human action. Poster at 21st Annual Meeting of the Cognitive Neuroscience Society. Boston, Massachusetts.
58. Russo, F. A., & Ammirante, P. (2013, November 14). *Motor simulation while judging sung melodic intervals*. Poster at 12th Annual Auditory Perception, Cognition in Action Meeting, Toronto, ON.
59. Vempala, N. N., & Russo, F. A. (2013, November 14). *An Audio Feature Analysis of the Toronto Emotional Speech Set (TESS)*. Poster at 12 Annual Auditory Perception, Cognition in Action Meeting, Toronto, ON.
60. Nespoli, G., Ammirante, P., Russo, F.A. (2013, November 14). Beta- and gamma-band electroencephalographic activity indicates pulse in non-isochronous syncopated rhythms. Poster at 12 Annual Auditory Perception, Cognition in Action Meeting, Toronto, ON.
61. Andrews, A., Nespoli, G., Russo, F. A. (2013, August 7). *Feature finder*. Poster at the 3rd annual meeting of CogMIR: Cognitively Based Music Informatics Research. Ryerson University, Toronto, ON.
62. Vempala, N. V., & Russo, F. A. (2013, August 8). *Exploring musical emotion using artificial neural networks*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
63. McGarry, L. M., & Russo, F. A. (2013, August 8). *Imitation training to enhance emotion perception skills*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
64. Liskovoi, L., Vempala, N. N., Carney, C. E., Koerner, N. & Russo, F. A. (2013, August 8). *Improving specificity of musical mood induction*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.

65. McGarry, L. M., Pineda, J. A., & Russo, F. A. (2013, August 8). *Mu wave desynchronization during emotion judgments of human song*. Poster at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
66. McGrath, J. & Russo, F. A. (2013, August 8). *The effects of high and low arousal music on memory consolidation*. Poster at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
67. Good, A., Gordon, K., & Russo, F. A. (2013, August 9). *Music and linguistic benefits of music training in deaf children with cochlear implants*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
68. Kirchberger, M. & Russo, F. A. (2013, August 9). *Development of Functional Adaptive Tests for the Assessment of Music Perception (FAT-AMP) in hearing impaired listeners*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
69. Chen-Haftek, L. & 12 co-authors including Russo, F. A. (2013, August 9). *Singing and cultural understanding*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
70. Nespoli, G., Ammirante, P., & Russo, F. A. (2013, August 9). *Beta- and gamma-band electroencephalographic activity indicates pulse in non-isochronous syncopated rhythms*. Poster at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
71. Livingstone, S. R., Peck, K. & Russo, F. A. (2013, August 10). *RAVDESS: The Ryerson Audio-Visual Database of Emotional Speech and Song*. Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
72. Chan, L. & Russo, F. A. (2013, August 10). *Is facial mimicry in response to emotional song automatic?* Paper at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
73. Royal, I., Lidji, P., Russo, F. A., & Peretz, I. (2013, August 10). *Implications of the right mirror neuron system in the anticipation of a singing judgment*. Poster at Biennial Meeting of the Society for Music Perception and Cognition. Ryerson University, Toronto, ON.
74. Russo, F. A., & Livingstone, S. (2013, August 12). *Emotional meaning across cultures*. Paper at 5th Annual meeting of AIRS: Advancing Interdisciplinary Research in Song. Ryerson University, Toronto, ON.
75. Chan, L. P., & Russo, F. A. (2013, August 11). *The role of mimicry in perception of emotional song*. Poster at 5th Annual meeting of AIRS: Advancing Interdisciplinary Research in Song. Ryerson University, Toronto, ON.

76. Ghazban, N., Aimola, S., Ein, N., Russo, F. A. (2013, August 11). *Emotion regulation through maternal lively and soothing singing*. Poster at 5th Annual meeting of AIRS: Advancing Interdisciplinary Research in Song. Ryerson University, Toronto, ON.
77. McGarry, L. M. & Russo, F. A. (2013, August 11). *Simulation training using song to enhance emotion perception skills in autism*. Poster at 5th Annual meeting of AIRS: Advancing Interdisciplinary Research in Song.
78. Ghazban, N., Russo, F. A., Trehub, S., Boudreau, J.P. (2013, April 18). *Impact of Lullabies and Play Songs in Regulating Infants' Stress*. Poster at Society for Research in Child Development, Seattle, WA.
79. Royal, I., Lidji, P., Russo, F.A., & Peretz, I. (2013, April 13). *Excitability of the mirror neuron system in singing perception: A transcranial magnetic stimulation*. Poster at 20th Annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.
80. Ammirante, P., & Russo, F. A. (2013, January 25). *Vibrotactile sensitivity to spectral information*. Paper at Workshop on audio-haptic interaction in music. McGill University, Montreal, PQ.
81. McGarry, L., Livingstone, S., van Lieshout, P., Wong, W., Lang, A., & Russo, F. A. (2012, November 23). A novel singing therapy to improve communication of facial and vocal emotion. Poster at Toronto Rehabilitation Institute's 8th Annual Research Day, Toronto, ON.
82. Livingstone, S., Peck, K., & Russo, F. A. (2012, November 23). RAVDESS: The Ryerson Audio-Visual Database of Emotional Speech and Song. Poster at Toronto Rehabilitation Institute's 8th Annual Research Day, Toronto, ON.
83. McGarry, L. & Russo, F.A. (2012, October 13). *Movement as a mediator of emotional understanding in music*. Poster at Annual Symposium of the McMaster Institute for Music and the Mind, Hamilton, ON.
84. Liskovoi, L. & Russo, F.A. (2012, October 13). *Can audio features predict ratings of tiredness and anxiety?* Poster at Annual Symposium of the McMaster Institute for Music and the Mind, Hamilton, ON.
85. Russo, F. A. (2012, August 27). *Building bridges between Music Cognition and Music Informatics*. Paper at 2nd Annual CogMIR seminar, Ryerson University, Toronto, ON
86. Vempala, N. N. & Russo, F. A. (2012, August 27). *Applying computational modeling approaches to music emotion perception*. Paper at 2nd Annual CogMIR seminar, Ryerson University, Toronto, ON.

87. Nespoli, G., Andrews, A. J., & Russo, F. A. (2012, August 27). *FeatureFinder: A powerful signal processing tool*. Poster at 2nd Annual CogMIR seminar, Ryerson University, Toronto, ON.
88. Liskovoi, L., Vempala, N. N., Carney, C. E., Koerner, N., & Russo, F. A. (2012, August 27). *Audio Features as Predictors of Tiredness and Anxiety in Music: A Study Across Two Genres*. Poster at 2nd Annual CogMIR seminar, Ryerson University, Toronto, ON.
89. Livingstone, S., Peck, K., & Russo, F. A. (2012, August 23). *Introducing RAVDESS: a new database of emotional song and speech*. Paper at AIRS 4th Annual Conference, UPEI, Charlottetown, PE.
90. Russo, F. A., & Livingstone, S. (2012, August 23). *A novel singing therapy to improve communication of facial and vocal emotion*. Paper at AIRS 4th Annual Conference, UPEI, Charlottetown, PE.
91. Chan, L., & Russo, F. A. (2012, August 23). *The effect of restricted facial mimicry on the perception of emotional song*. Paper at AIRS 4th Annual Conference, UPEI, Charlottetown, PE.
92. Ghazban, N., Russo, F.A., Trehub, S., Ein, N., Aimola, S., & Boudreau, J.P. (2012, August 23). *Regulating Infants' Emotions through Maternal Singing and Speech*. Poster at AIRS 4th Annual Conference, UPEI, Charlottetown, PE.
93. Ammirante, P., Russo, F.A., Thompson, W.F., Fels, D.I. (2012, June 8). *Vibrotactile speaker discrimination among deaf individuals*. Paper at Canadian Society for Brain, Behaviour and Cognitive Science. Queen's University, Kingston, ON.
94. Livingstone, S. R., Peck, K., & Russo, F.A. (2012, June 8). *Database of emotional speech and song*. Paper at Canadian Society for Brain, Behaviour and Cognitive Science. Queen's University, Kingston, ON.
95. McGarry, L.M., & Russo, F.A. (2012, June 9). *Comparing ICA and traditional EEG analyses*. Poster at Canadian Society for Brain, Behaviour and Cognitive Science. Queen's University, Kingston, ON.
96. Andrews, J.A., Nespoli, G., & Russo, F.A. (2012, June 9). *Feature Finder: A powerful Matlab tool for processing physiological signals*. Poster at Canadian Society for Brain, Behaviour and Cognitive Science. Queen's University, Kingston, ON.
97. Vempala, N., & Russo, F.A. (2012, June 9). *Physiological responses of listeners using neural networks*. Paper at Canadian Society for Brain, Behaviour and Cognitive Science. Queen's University, Kingston, ON.

98. Ghazban, N., Russo, F. A., Trehub, S., Ein, N., Boudreau, J.P. (2012, June 8). *Stress regulation through maternal singing and speech*. Poster at the International Conference of Infant Studies, Minneapolis, MN.
99. Atwood, M.E., Carney, C.E., Koerner, N., & Russo, F.A. (2011, November 12). *Using fatigue induction to study beliefs about sleep*. Poster at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, ON.
100. Russo, F.A. (2011, August 25). *A major collaborative research initiative on singing: Focus on performance* (Chair and Discussant). International Symposium for Performance Science. Toronto, ON.
101. Russo, F.A., & Sandstrom, G.M. (2011, August 13). *A new scale to identify individuals with strong emotional responses to music: Absorption in Music Scale (AIMS)*. Paper at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
102. Good, A., & Russo, F. A. (2011, August 12). *A comparison of speech vs. singing in foreign vocabulary development*. Paper at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
103. Vempala, N., & Russo, F. A. (2011, August 12). *How does culture affect rhythm perception*. Paper at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
104. McGarry, L. M., & Russo, F. A. (2011, August 12). *The effects of expertise on movement-mediated emotional processing in music*. Paper at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
105. McGarry, L. M., Chan, L., & Russo, F. A. (2011, August 12). *Neural mimicry during perception of emotional song*. Poster at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
106. Vempala, N., Russo, F. A., & McGarry, L. M. (2011, August 12). *The effect of training on melodic recognition*. Poster at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
107. Chan, L., McGarry, L.M., Corpuz, V., & Russo, F. A. (2011, August 11). *An empirical test of the honest signal hypothesis*. Paper at the Biennial Meeting of the Society for Music Perception and Cognition, Rochester, NY.
108. Russo, F. A. (2011, July 12). *Movement, mimicry and emotion in song*. Paper at the 3rd annual meeting of Advancing Interdisciplinary Research in Singing, Saint John's, Newfoundland.

109. Cohen, A., Russo, F. A., Gick, M. Campbell, C., (2011, July). *Advancing Interdisciplinary Research in Singing*. Phenomenon of Singing, Saint John's, Newfoundland.
110. Ghazban, N., Trehub, S., Russo, F. A. (2011, July 11). *Efficacy of speech vs. song to regulate stress in 10-month-olds*. Poster at the 3rd annual meeting of Advancing Interdisciplinary Research in Singing, Saint John's, Newfoundland.
111. Good, A., & Russo, F. A. (2011, July 11). *The benefits of singing on second language learning*. Poster at the 3rd annual meeting of Advancing Interdisciplinary Research in Singing, Saint John's, Newfoundland.
112. Russo, F. A. (2011, June 25). *Gaze behaviour during perception of singing*. Annual meeting of the Canadian Society for Brain Behaviour and Cognitive Science. University of Manitoba, Winnipeg, Manitoba.
113. Plantinga, J. Trehub, S. E., Russo, F. A. (2011, June 10). *Multimodal aspects of maternal speech and singing*. Poster at Neurosciences and Music IV: Learning and Memory, Edinburgh, Scotland.
114. Russo, F. A. (2011, May 18). *Movement, mimicry and multimodal aspects of vocal-emotional communication*. Paper at the International Conference for Research Audiology, Toronto, ON.
115. McGarry, L.M., Russo, F. A., & Pineda, J. (2011, April 3). *Audio-visual facilitation of the mu wave*. Poster at 18th Annual Meeting of the Cognitive Neuroscience Society, San Francisco, CA.
116. McGarry, L.M., & Russo, F. A. (2011, March 28). *Movement as a mediator of emotional understanding in music*. Poster at Neuroscience of Emotion and Emotion-Related Disorders: Inaugural Conference of the Rotman Research Institute and the Kunin-Lunenfeld Applied Research Unit, Toronto, ON.
117. Boudreau, J. P., Russo, F. A., & Stein, R. (2011, April 2). *BabyVibe: A new device for exploring the impact of multimodal stimulation on early development*. Poster at Society for Research in Child Development, Montreal, PQ.
118. Trehub, S. E., Plantinga, J., Russo, F. A. (2011, March 31). *Maternal singing to infants in view or out of view*. Poster at Society for Research in Child Development, Montreal, PQ.
119. Russo, F. A. (2010, October 14). *Toronto Sound Map Project*. Paper at Acoustics Week in Canada, Victoria, British Columbia.
120. Russo, F. A., Cuddy, L. L., & Galembo, A. (2010, October 15). *The complementary roles of temporal and spectral processing in tonal perception of low-frequency tones*. Paper at Acoustics Week in Canada, Victoria, British Columbia.

121. Russo, F. A., & Maksimowski, M. (2010, August 27). *Accuracy gains in relative pitch perception conferred by presentation of congruent non-auditory information*. Paper at the International Conference for Music Perception and Cognition, Seattle, Washington.
122. Chan, L., & Russo, F. A. (2010, August 26). *The facial feedback hypothesis and automatic mimicry in perception of sung emotion*. Paper at the International Conference for Music Perception and Cognition, Seattle, Washington.
123. Cohen, A. J., Russo, F. A., Trainor, L. J., Trehub, S. E., Tsang, C. (2010, August 25). *Advancing Interdisciplinary Research in Singing (AIRS), Part I: Development*. Paper at the International Conference for Music Perception and Cognition, Seattle, Washington.
124. Plantinga, J., Trehub, S. E., & Russo, F. A. (2010, August 22). *Influence of infants on maternal speech and song*. Poster at the Annual meeting of SSHRC MCRI on Advancing Interdisciplinary Research on Singing, Seattle, Washington.
125. Chan, L., Edwards, D., & Russo, F. A. (2010, August 22). *On the importance of visual aspects of performance in vocal pedagogy*. Poster at the Annual meeting of SSHRC MCRI on Advancing Interdisciplinary Research on Singing, Seattle, Washington.
126. McGarry, L. M. & Russo, F. A. (2010, June 11). *Dance to the music: The effects of free movement on emotional experience of music*. Poster at Canadian Society for Brain, Behaviour and Cognitive Science, Halifax, Nova Scotia.
127. Chan, L., Edwards, D. & Russo, F. A. (2010, May 28). *On the importance of visual aspects of performance In vocal pedagogy*. Poster at Conference on Multidisciplinary Research in Music Pedagogy, Ottawa, Ontario.
128. Chan, L., & Russo, F. A. (2009, October). *The role of mimicry in perception of sung emotion*. Paper presented at Acoustics Week in Canada, Niagara-on-the-Lake, Ontario.
129. Russo, F. A., Maksimowki, M., & Sandstrom, G. (2009, August). *Visual fixation patterns and the contribution of visual dynamics in perception of vocal music*. Paper presented at the Society for Music Perception and Cognition, Indianapolis, Indiana.
130. Russo, F. A., Maksimowski, M., Karam, M., & Fels, D. I. (2009, August). *Vibrotactile discrimination of musical timbre*. Paper at the Society for Music Perception and Cognition, Indianapolis, USA.
131. Sandstrom, G., & Russo, F. A. (2009, August). *Feeling the music: development of a new scale to predict strong physiological responses to music listening*. Poster at the Society for Music Perception and Cognition, Indianapolis, Indiana.

132. Tierney, A. T. Russo, F. A., & Patel, A. D. (2009, August). *Statistical regularities of human melodies reflect perceptual-motor constraints: evidence from comparisons with bird song*. Paper at the Society for Music Perception and Cognition, Indianapolis, Indiana.
133. Livingstone, S., Thompson, W. F., Chan, L., & Russo, F. A. (2009, August). *Facial expressions and emotional singing*. Paper at the Society for Music Perception and Cognition, Indianapolis, Indiana.
134. Russo, F. A., & Chan, L. (2009, June). *The use of facial electromyography in singing research*. Paper at Advancing Interdisciplinary Research in Singing (SSHRC MCRI) Workshop and Startup Meeting, Charlottetown, Prince Edward Island.
135. Sandstrom, G., Nespoli, G., & Russo, F. A. (2009, February). *Musical valence and arousal in the regulation of stress*. Poster at Emotion Pre-Conference, Annual Meeting of the Society for Personality and Social Psychology, Tampa, Florida.
136. Russo, F. A., Jones, J., & Abdoli-E., M. (2008, October). *Effect of frequency in virtual rumble strips*. Paper presented at Acoustics Week in Canada, Vancouver, British Columbia.
137. Russo, F. A., Quinto, L., & Thompson, W. F. (2008, July). *Judgments of fit between phonemic and melodic information in singing*. Paper presented at Music and Language II, Tufts University, Boston, Massachusetts.
138. Sandstrom, G., Nespoli, G., & Russo, F. A. (2008, June). *Musical valence and arousal in the regulation of anxiety*. Poster presented at the Neurosciences and Music III: Disorders & Plasticity, McGill University, Montreal, Quebec.
139. Quinto, L., Thompson, W. F., & Russo, F. A. (2007, December). *Audio-visual influences on speech perception: A comparison of sung and spoken conditions*. Paper presented at the International Conference on Music Communication Science, Sydney, Australia.
140. Russo, F. A., & Thompson, W. F. (2007, August). *Effects of timbre on the experience of interval size and direction*. Paper presented at the Society for Music Perception and Cognition, Concordia University, Montreal, Quebec.
141. Vuvan, D., Russo, F. A., & Thompson, W. F. (2007, August). *Effects of phoneme on the experience of sung interval size*. Poster presented at the Society for Music Perception and Cognition, Concordia University, Montreal, Quebec.
142. Thompson, W. F., & Russo, F. A. (2007, August). *Facing the size of melodic intervals*. Paper presented at the Society for Music Perception and Cognition, Concordia University, Montreal, Quebec.
143. Dalton, A., Nicholson, K., Tomes, J., & Russo, F. A. (2007, May). *The mental representation of gesture: Effects of gesturing on visuospatial recall*. Paper presented at the

Atlantic Provinces Council on the Sciences, 31st Annual Undergraduate Psychology Conference, Mount Allison University, Sackville, New Brunswick.

144. Russo, F. A., Singh, G., & Wittich, W. (2006, October). *Strategic Transdisciplinarity: Success indicators of the CIHR training grant on communication and social interaction in healthy aging*. Poster presented at the CIHR Celebration, University of Toronto, Toronto, ON.
145. Russo, F. A., & Jones, J. A. (2005, November). *A multimodal investigation on the effects of frequency on perceived urgency of rumble strips*. Poster presented at the Fourth Annual Auditory Perception and Action Meeting, Toronto, Ontario
146. Russo, F. A., Iversen, J., Patel, A., & Cuddy, L. L. (2005, August). *Comparing speech, music, and bird song to study motor constraints on melodic structure*. Poster presented at the Society for Music Perception and Cognition, Neurosciences Institute, San Diego, California
147. Russo, F. A., & Thompson, W. F. (2005, May). *The relative influence of pitch and timbre on perceived interval size*. Poster presented at the Neurosciences and Music II: From Perception to Performance, *Abstract in Annals of the New York Academy of Sciences, 1060*, Leipzig Germany.
148. Thompson, W. F. & Russo, F. A. (2005, May). *Facial expression of pitch relations*. Poster presented at the Neurosciences and Music II: From Perception to Performance, *Abstract in Annals of the New York Academy of Sciences, 1060*, Leipzig, Germany.
149. Gordon, M. S., Russo, F. A., MacDonald, E., & Schneider, B. A. (2004, November). *Spectral information for detection of acoustic time-to-arrival*. Paper presented at 3rd Annual Auditory Perception, Cognition, and Action Meeting, Minneapolis, Minnesota.
150. Russo, F. A., Pichora-Fuller, M. K., Lai, D., & Raznovan, E., Lu, D. (2004, April). *Speech perception in young and older adults with babble and music backgrounds*. Poster presented at the Cognitive Aging Conference, Atlanta, Georgia.
151. Russo, F. A., Pichora-Fuller, M. K., Lai, D., & Raznovan, E., Lu, D. (2004, February). *Speech perception in familiar and unfamiliar music backgrounds*. Paper presented at Annual Research Workshop, CIHR Research Training Program in Communication and Social Interaction in Healthy Aging, Quebec City, Quebec
152. Gordon, M. S., & Russo, F. A., MacDonald, E. & Schneider, B. A. (2003, November). *Contribution of spectral information to detection of acoustic time-to-arrival*. Poster to be presented at 2nd Annual Auditory Perception, Cognition, and Action Meeting, Vancouver, Nevada.

153. Russo, F. A., & Thompson, W. F. (2003, June). *An interval-size illusion: Extra-pitch influences on the perceived size of melodic intervals*. Paper presented at the Society for Music Perception and Cognition, University of Nevada at Las Vegas, Nevada.
154. Thompson, W. F., Russo, F. A., & Litvack, A. (2003, June). *The attribution of meaning to lyrics in music*. Paper presented at the Society for Music Perception and Cognition, University of Nevada at Las Vegas, Nevada.
155. Russo, F. A., Ammirante, P., & Thompson, W. F. (2003, June). *Beyond Music Training: Influence of Cerebral Lateralization on Musical Ability*. Poster presented at the Society for Music Perception and Cognition, University of Nevada at Las Vegas, Nevada.
156. Russo, F. A. (2003, March). *Effects of Music on Speech Communication in the Elderly*. Paper presented at Annual Research Workshop, CIHR Research Training Program in Communication and Social Interaction in Healthy Aging, Banff, Alberta.
157. Russo, F. A., Lee, J. C., Cuddy, L. L. (2001, August). *Influence of Hierarchical Structure in Serial-Recall and Perceived Cohesion of Tone Sequences*. Paper presented at the Society for Music Perception and Cognition, Queen's University, Kingston, Ontario.
158. Russo, F. A., Galembo, A., & Cuddy, L. L. (2000, November). *Variability in musical pitch perception across the tessitura of the piano*. Paper presented at the Society for Music Perception and Cognition, Abstract published in *Musical Intersections, 2000, 256*, Toronto, Ontario.
159. Russo, F. A., & Cuddy, L. L. (1999, March). *A common origin for vocal accuracy and melodic expectancy: Vocal constraints*. Paper presented at the Joint Meeting of the Acoustical Society of America and the European Acoustics Association, Abstract published in *Journal of the Acoustical Society of America, 105*, 1217, Berlin, Germany.
160. Russo, F. A., & Cuddy, L. L. (1998, June). *Vocal constraints as a source of melodic expectancy*. Paper presented at Canadian Society for Brain, Behaviour, and Cognitive Science, Carleton University, Ottawa, Ontario.
161. Russo, F. A., Sturdy, C. B., Cuddy, L. L., & Weisman, R. G. (1996, August). *Gestalt factors in the structure of birdsong and human melody*. Poster presented at meeting of Canadian Society for Brain, Behaviour, and Cognitive Science, McGill University, Montreal, Quebec.
162. Russo, F. A., & Cuddy, L. L. (1995, June). *Using Narmour's bottom-up principles of expectancy to influence listeners' perceptions of melodic cohesion and flow*. Paper presented at annual meeting of Society for Music Perception and Cognition, University of California, Berkeley, California.

163. Russo, F. A. (1992, May). *Play, happiness, and the effectance theory of human motivation*. Paper presented at the 22nd Annual Ontario Undergraduate Thesis Conference. University of Ottawa, Ontario.

Active Research Grants:

1. *NSERC-Sonova Senior Industrial Research Chair in Auditory Cognitive Neuroscience*
Russo, F. A. (PI)
Sponsors: NSERC, Sonova, Ryerson
Funding: \$3,319,762
Granting Period: 2019-24
2. *Brain Stimulation Equipment*
Russo, F. A.(PI), Spaniol, J., and Yang, L.
Internal Equipment Grant
Sponsor: Ryerson University
Funding: \$20,000
Granting Period: 2018-19
3. *Understanding group singing in older adults from a biopsychosocial perspective*
Russo, F. A. (PI), Choma, R. L., Fiocco, A. J., Kreutz, G. and 6 Collaborators
Sponsor: SSHRC (Partnership Development Grant)
Reference Number: 890-2017-0130
Funding: \$199,371
Granting Period: 2018-2020
4. *Engagement of the motor system in the perception and cognition of music*
Russo, F. A. (PI)
Sponsor: NSERC (Discovery)
Reference Number: 2017-06969
Funding: \$240,000
Granting Period: 2017-22

Active Knowledge Translation Grants:

1. *Canadian Stress Research Summit: Stress Across the Lifespan: From risk to management.*
Fiocco, A. (PI), Russo, F. A. (CI), & 5 others (CI's)
Sponsors: Canadian Institute for Health Research (Planning and Dissemination Grant)
Funding: \$20,000
Granting Period: 2019-20

Active Training Grants as Academic Supervisor

1. *Effects of choir participation and musical training on auditory processing in hearing aided older adults*
Trainee: Ella Dubinsky
Mentor: Frank Russo

Sponsors: Mitacs and Unitron
Funding: \$80,000
Granting Period: 2018-21

Completed Research Grants

1. *Hear the World Research Chair in Music and Emotional Speech*
Russo, F. A. (PI)
Sponsor: Sonova AG
Funding: \$529,500
Granting Period: 2013-19
2. *Big Break – Singing and Acting for teens with autism, Phase Two*
Russo, F. A. (PI)
Sponsor: Telus Community Grant
Funding: \$20,000
Granting Period: 2017-18
3. *Big Break – Singing and Acting for teens with autism, Phase One*
Russo, F. A. (PI)
Sponsor: Telus Community Grant
Funding: \$19,500
Granting Period: 2016-17
4. *A Longitudinal Assessment of Cognitive Risk for Insomnia*
Carney, C. (PI), Koerner, N. (CI), Russo, F.A. (CI) & Shapiro, C. (CI)
Sponsor: CIHR
Funding: \$547,620
Granting Period: 2013-18
5. *Joint roles of movement and simulation in vocal-emotional communication*
Russo, F. A. (PI)
Sponsor: NSERC (Discovery) / 2012-341583
Funding: \$235,000
Granting Period: 2012-17
6. *A dynamic emotion feedback system for music using audio, symbolic, and physiological features*
Russo, F. A. (PI)
Sponsor: NSERC (Collaborative Research & Development) / CRDPJ 470378-14
Funding: \$440,000
Granting Period: 2015-17

7. *A multisensory ear training program for children with cochlear implants*
Wang, Y. (PI), Amedi, A. & Russo, F. A. (Collaborators)
Sponsor: National Research Foundation, Singapore
Program: Science of Learning Initiative
Funding: \$99,600 (SGD)
Granting Period: 2015-16
8. *Enhancing perception of music in deaf and hard of hearing populations*
Russo, F. A. (PI)
Early Researcher Award
Sponsor: Ministry of Research and Innovation / ER10-07-046
Funding: \$150,000
Granting Period: 2011-16
9. *Investigating vibrotactile technology and gesture recognition for creative and artistic expression in the hearing, deaf, and disabled Arts communities*
Fels, D. I. (PI) & Russo, F. A. (Co-PI)
Sponsor: SSHRC (Insight, Partnership Development)
Funding: \$473,678
Granting Period: 2013-16
10. *Advancing Interdisciplinary Research in Singing*
Cohen, A. (PI), Russo, F. A. (CI), & 25 others (CI's)
Sponsor: SSHRC (MCRI) / 412-2009-1008
Funding: \$2,498,500
Granting Period: 2009-2016
11. *Eye tracking system*
Moulson, M. (PI), Russo, F. A., Spaniol, J., Yang, L., Boudreau, J.P.
Sponsor: Internal Equipment Grant (Ryerson)
Funding: \$25,200
Granting Period: 2015
12. *Advancement of a software application suite for music analysis and generation informed by music cognition research*
Russo, F. A. (PI)
Sponsor: NSERC (Collaborative Research & Development) / CRDPJ 430443-12
Funding: \$194,666
Granting Period: 2012-14
13. *Graphics, Animation and New Media*
Booth, K. (PI) and 90 others investigators including Russo, F.A. (Collaborator)
Sponsor: Networks of Centres of Excellence / G-NI-10-Ry-01
Funding: \$23,000,000
Granting Period: 2009-2014

14. *A novel singing therapy to improve communication of facial and vocal emotion*
Russo, F. A. (PI), van Lieshout, P. (CI) & Wong, W. (CI)
Sponsor: Parkinson's Society of Canada / 2012-13
Funding: \$45,000
Granting Period: 2012-13
15. *Improving musical mood induction*
Russo, F. A. (PI), Carney, C. (CI), & Koerner, N. (CI)
Sponsor: SSHRC (Insight) / 430-2011-0240
Funding: \$74,920
Granting Period: 2011-2012
16. *babyVibe: Development of a new vibrotactile system to support the development of attention and communication in infants with special needs*
Russo, F. A. (PI), Boudreau, J. P. (CI), Tullio-Pow, S. (collaborator), Del-Agnese, L. (collaborator)
Sponsor: Ontario Partnership for Innovation and Commercialization (Proof of Principle)
Funding: \$10,000
Granting Period: 2011-2012
17. *Liquid Loops – Music Generation System*
Russo, F. A. (PI), Vempala, N. (CI)
Sponsors: FedDEV with waveDNA (Applied Research & Commercialization Initiative)
Funding: \$75,000
Granting Period: 2011-2012
18. *Developing a framework for vibrotactile composition and performance*
Fels, D. (PI), Russo, F. A. (CI)
Sponsor: SSHRC (Image, Text & Sound)
Funding: \$40,000
Granting Period: 2009-11
19. *Institute for Stress, Health, and Wellbeing*
Atkinson, L. (PI), Russo, F. A. (CI), & 6 others (CI's)
Sponsors: Ministry of Research and Innovation (Ontario Research Fund, Infrastructure) and Ryerson University
Funding: \$956,976
Granting Period: 2009-10
20. *Music-based mood induction*
Russo, F. A. (PI), Carney, C. (CI), & Koerner, N. (CI)
Sponsor: SSHRC (Sig Grant, Ryerson)
Funding: \$6998.64
Granting Period: 2009-2010

21. *Multimodal interaction and substitution of musical information: Basic research and development of a new assistive technology for music*
Russo, F.A. (PI), Fels, D. (CI), & Abdoli-E., M. (CI)
Sponsor: *Ryerson University (Fund for Interdisciplinary Studies)*
Funding: \$19,667
Granting Period: 2008-10
22. *Auditory Display of Biomedical Data*
Krishnan, S. (PI), Russo, F. A. (Co-PI)
Sponsor: *Ryerson University (Fund for Interdisciplinary Studies)*
Funding: \$20,000
Granting Period: 2008-10
23. *Night driving performance of older adults: Effects of road lighting*
Reed, M. (PI), Easa, S. (Co-PI), Russo, F. A. (Co-PI)
Sponsor: *Ontario Ministry of Transportation: Highway Infrastructure Innovation Grant*
Funding: \$33,875
Granting Period: 2008-09
24. *Creating Liberal & Integrated Media Experiences*
Fels, D. (PI), Russo, F.A. (CI), & 4 others (CI's)
Sponsor: *SSHRC (CURA)*
Funding: \$992,158
Granting Period: 2007-12
25. *Multi-Dimensional and Multi-Modal Integration in Perception of Vocal Music*
Russo, F. A. (PI)
Sponsor: *NSERC (Discovery) / 341583-07*
Funding: \$102, 590
Granting Period: 2007-12
26. *Audio-visual integration of emotion in vocal music*
Russo, F.A. (PI)
Sponsor: *Ryerson University (New Faculty SRC)*
Funding: \$9998
Granting Period: 2007-08

Completed Training Grants as Academic Supervisor

1. *Improving signal processing in hearing aids to support music and emotional speech*
Trainee: Huiwen Goy
Mentor: Frank Russo
Sponsors: Mitacs and Unitron

Funding: \$110,000
Granting Period: 2016-18

2. *Optimizing hearing aids for speech intelligibility, sound quality and emotional speech*
Trainees: Gabe Nespoli, Huiwen Goy, Lisa Liskovoi, Naresh Vempala
Mentors: Russo, F.A. (PI), Pichora-Fuller (CI), Singh, G. (CI), Rudzicz, F. (CI)
Sponsors: Mitacs and Unitron (Cluster Grant) / IT03746
Funding: \$138,500
Granting Period: 2014-15
3. *Sing with a smile: Developmental facial mimicry in emotional singing*
Trainee: Steven Livingstone
Mentor: Frank Russo
Sponsors: AIRS (SSHRC MCRI)
Funding: \$33,000
Granting Period: 2011-12
4. *Towards a cognitively informed music knowledge system*
Trainee: Naresh Vempala
Mentor: Frank Russo
Sponsors: Mitacs and waveDNA
Funding: \$140,000
Granting Period: 2010-12

Grant Review Panels

Biological Systems and Functions, *NSERC*, Canada (2012-15)
Alternate Chair (2013-15)
MITACS College of Reviewers, Canada (2011-12)
Perception, Action and Cognition, *National Science Foundation*, US (2009-10)
Faculty of Arts SRC Award, *Ryerson*, Canada (2010)
New Faculty SRC, Office of Research Services, *Ryerson*, Canada (2009)
Harry Rosen Grant (Chair), *Institute for Stress, Health & Well Being*, Canada (2015, 2016, 2017)

Grant Reviews (Ad Hoc)

Swiss National Science Foundation, **Switzerland** (2020)
Erwin Schrodinger-Fellowship, Austrian Science Fund, **Austria** (2017)
Israel Science Foundation, **Israel** (2017)
Career Program, *Michael Smith Foundation*, **Canada** (2015)
Innovations Fonden (Council for Strategic Research), **Denmark** (2014)
Discovery Early Career Awards, ARC, **Australia** (2013-18)

Technology Evaluation Network, NCE, **Canada** (2013)
TVN Catalyst Grants, **Canada** (2013-14)
Binational Science Foundation, **USA/Israel** (2012)
L'Agence Nationale de la Recherche (ANR), **France** (2012)
Standard Research Grant Program, *SSHRC*, **Canada** (2011-; 1-2 reviews per year)
MITACS Elevate, **Canada** (2011-; 2-3 reviews per review)
Leverhulme Trust, **UK** (2010-12; 2018; 2019)
Perception, Action & Cognition, *National Science Foundation*, **USA** (2010-2016)
New Media Initiative, *NSERC/Canada Council*, **Canada** (2010)
Strategic Project Grants Program, *NSERC*, **Canada** (2010, 2012)
Leaders Opportunity Fund (LOF), *Canadian Foundation for Innovation*, **Canada** (2010-; 1 review per year)
Idea-to-Innovation Program, *NSERC*, **Canada** (2007, 2009)
Discovery Program, *NSERC*, **Canada** (2007-; 3-4 reviews per year)

Editorial Activity (6 journals)

1. Canadian Acoustics
 - a. Advisory Board (2014-18)
 - b. Editor-in-Chief (2012-14)
 - c. Guest Editor (2009)
2. Canadian Journal of Experimental Psychology
 - a. Editorial Board (2012-18)
3. Frontiers in Psychology
 - a. Cognition: *Bridging Music Informatics with Music Cognition*, Guest Associate Editor (2016-17)
 - b. Emotion Science: Editorial Board (2015-19)
4. Music Perception
 - a. Editorial Board (2012-17)
 - b. Associate Editor (2017-19)
5. Journal of Music Therapy
 - a. Editorial Board (2012-18)
6. Psychomusicology: Music, Mind & Brain
 - a. Editorial Board (2009-)

Teaching:

2019-	Course Director	Sensory and Perceptual Processes (PSY 514), Ryerson W'19
2012-	Course Director	Psychology of Music (PSY 751), Ryerson <ul style="list-style-type: none"> • W'12 • F'14
2011-	Course Director	Computational Methods in Psychology (PSY 8527), Ryerson <ul style="list-style-type: none"> • W'11 • W'17
2009-	Course Director	Directed Readings (PSY 8522), Ryerson <ul style="list-style-type: none"> • W'09 (Physiology of Music Emotion) • W'14 (Rhythms of the Brain)
2007-	Course Director	Applied and Translational Research Methods (PSY 8201), Ryerson <ul style="list-style-type: none"> • F'07, F'08, F'09, F'11, F'13, F'15, F'17; W'20

2006-2010	Instructor	Psychology of Thinking (PSY308), Ryerson <ul style="list-style-type: none"> W'07, W'08, W'09, W'10, F'10
2006-2008	Instructor	Psychology of Design (PSY 217), Ryerson <ul style="list-style-type: none"> F'06, F'07, F'08
2005	Co-Instructor	Music Perception and Cognition (PSY 371), University of Toronto <ul style="list-style-type: none"> F'05
2004-2005	Instructor	Human Perception and Communication (CCT 202), University of Toronto <ul style="list-style-type: none"> F'04; S'06
2002-2003	Curriculum Developer	Contract funded by GE-Canada to develop tech-focused curricula for Communication, Culture and Information Technology, University of Toronto
1998-1999	Instructor	Psychology of Music, Enrichment Studies, Queen's <ul style="list-style-type: none"> S'98, S'99

Other Teaching (Invited Classroom Lectures):

January 24, 2020	Episodic Memory, Human Memory, Psychology, Ryerson (Invited by Todd Girard)
Oct 23, 2017	Music and Health Care, Faculty of Music, University of Toronto (Invited by Amy Clements-Cortes). Understanding the benefits of singing for health and well-being
Feb 6, 2017	Hospitality and Tourism Management, Ted Rogers School of Business, Ryerson University (Invited by Chris Gibbs). <i>Impact of sound and light on the retail experience.</i>
Sep 23, 2013	Hearing and Hearing Disorders, Psychology, University of Toronto at Mississauga (Invited by M. K. Pichora-Fuller). <i>Psychology of the Urban Soundscape.</i>
Sep 13, 2012	Selected Topics in Interior Design, Interior Design, Ryerson University (Invited by (Taymoore Balbaa). <i>Tactile and vibrotactile perception.</i>
Feb 11, 2011	Introduction to Audio Production and Technology, Ursula Franklin Academy, TDSB, Toronto (Invited by S. Bernstein). <i>Auditory Perception and Technology.</i>
Nov 17, 2010	Architecture, Music and Acoustics, 4 th Year Seminar, Faculty of Fine Arts (Invited by L. Korrick). <i>Psychology of Music.</i>
March 31, 2010	History of Psychology (Graduate), Ryerson (Invited by W. Pickren) <i>Cognitivist and emotivist perspectives on emotion: The case of music.</i>
March 3, 2010	Professional Issues in Psychological Science (Graduate), Ryerson (Invited by T. Burke). <i>Grantspersonship</i>
March 2, 2010	The Sensorium, 4 th Year Seminar, Faculty of Fine Arts, York (Invited by L. Korrick). <i>Music and the mind.</i>
Nov. 18, 2009	Hearing and Hearing Disorders, Psychology, University of Toronto at Mississauga (Invited by M. K. Pichora-Fuller). <i>Music, Hearing, and Hearing Loss.</i>

Oct. 29, 2008	Sensory and Perceptual Processes, Ryerson (Invited by B. Dyson) <i>Multisensory Integration.</i>
Dec 5, 2005	Advanced Topics in Audition, Psychology, University of Toronto at Mississauga (Invited by M. K. Pichora-Fuller). <i>Music and Hearing Aids</i>
Oct 15, 2004	Music Perception and Cognition; Communication, Culture and Information Technology, University of Toronto at Mississauga (Invited by W.F. Thompson) <i>The Physics and Perception of Timbre</i>

Teaching Development and Distinctions

2007-	Annual Participation in Faculty Conference, Ryerson University, Learning and Teaching Office
1998-1999	Certificate Program in University Teaching and Learning, Queen's University
1997-1998	Teaching Assistant of the Year, Psychology, Queen's University

Supervision of Graduate Students and Postdoctoral Fellows:

2019-	Philosophy Doctorate, Psyc	Danielle D'Amico (Comprehensive Committee)	Can sexual activity modulate age-related cognitive decline?
2019-	Philosophy Doctorate, Psyc	Zahra Vahedi (PhD Supervisory Committee)	Problematic Smartphone Use, Separation from Phone, and Stress
2019- 2021	Master of Arts, Psyc.	Shruti Vyas (MA Supervisory Committee)	Infants' ability to recognize and respond to negative emotional expressions
2018- 2020	Master of Arts, Psyc.	Liza Igoshina (MA Co-Supervisor)	The effect of airflow as a prophylaxis to visually induced motion sickness
2018- 2020	Master of Arts, Psyc.	Carmen Dang (MA Supervisor)	The effect of brain stimulation on facial mimicry, mu-ERD and emotion perception
2018- 2020	Master of Arts, Psyc.	Alex Pachete (MA Supervisor)	Effects of group singing on vocal control and social wellbeing in people living with Aphasia
2018- 2020	PostDoctoral Fellow	Arla Good (PDF Supervisor)	Singwell: Understanding group singing in older adults from a biopsychosocial perspective
2018-	Philosophy Doctorate, Psyc	Sean Gilmore (PhD Supervisor)	TBD

2017-2018	Philosophy Doctorate, Psyc	Zhara Vahedi (PhD Comprehensive Committee)	Smartphones and the human stress response
2017-2018	Master of Arts, Psyc.	David Sumantry (MA Supervisory Committee)	Predictors of accent-based prejudice
2017	Master of Arts, Psyc.	David Sumantry (Practicum Supervisor)	Social and emotional attributions in accented English speech
2017-	Philosophy Doctorate, Psyc	Ella Dubinsky (PhD Supervisor)	Effects of singing on speech perception in noise in older adults with hearing aids
2016-2019	Post-Doctoral Fellow	Huiwen Goy (PDF Supervisor)	Improving signal processing in hearing aids to support music and emotional speech
2016-2019	Master of Rehab Sc., UT	Monique Tardif (MSc Supervisory Committee)	Does speech accommodation occur in response to speech disorders in conversation?
2016	Master of Arts, Digital Media	Aaron Appleby (Supervisory Committee)	Brand tune-up: Building value for brands through strategic sonic planning
2016-	Philosophy Doctorate, Psyc	Eszteella Vezer (PhD Supervisor)	Emotional communication and mimicry in older adults
2016-2018	Master of Arts, Psyc.	Sean Gilmore (MA Supervisor)	Vibrotactile beat entrainment
2015-2017	Master of Arts, Psyc.	Ella Dubinsky (MA Supervisor)	Effects of singing on speech perception in noise in older adults with hearing loss
2014-2015	Philosophy Doctorate, Tampere U. of Tech (Finland)	Thomas Barker (Internship Advisor)	Using EEG response to drive signal processing in hearing aids and digital audio workstations
2014-2018	Philosophy Doctorate, Psyc	Gabriel Nespoli (PhD Supervisor)	The Neuroscience of Groove: Neural Mechanisms Marrying Music and Movement
2014-2016	Master of Arts, Psyc.	Eszteella Vezer (MA Supervisor)	Effects of choir singing on facial and vocal expressiveness in people living with Parkinson's disease
2013-2014	Philosophy Doctorate, Psyc	Peter Wegier (Practicum Supervisor)	Age-related differences in GSR response to a gambling task
2013	Philosophy Doctorate, Psyc	Katlyn Peck (PhD Comprehensive)	Music and Memory in Alzheimer's Disease and The Potential Underlying Mechanisms

		Committee)	
2013-2018	Philosophy Doctorate, Psyc	Katlyn Peck (PhD Supervisory Committee)	Effects of music on regulation of acute stress in older adults
2012-2015	Philosophy Doctorate, ETH Zürich (Switzerland)	Martin Kirchberger (PhD Supervisor)	Functional hearing in music: Test development and application to signal processing in hearing aids
2012-2014	Master of Arts, Psyc.	Gabriel Nespoli (MA Supervisor)	Musicianship and neural synchronization at multiple timescales
2012-13	M.Eng., ICAM Toulouse (France)	Claire Delvit (Internship Advisor)	Babyvibe research and development
2011-13	Master of Rehab Sc., UT	Nicole Durham (MSc Supervisory Committee)	Impact of negative vocal emotions on cognitive processing
2011-2015	Philosophy Doctorate, Psyc.	Rajwant Sandhu (PhD Co- Supervisor)	Cross-modal selective attention. Impact of perceptual load and sensory degradation
2011-2014	Philosophy Doctorate, Psyc.	Lucille McGarry (PhD Supervisor)	Top-down and bottom-up influences on recruitment of the mirror neuron system during observation of intentional action
2015-16	Philosophy Doctorate, Psyc.	Jonathan Wilbiks (Practicum Supervisor)	Effects of vocal training in a musicophile with congenital amusia
2012-2016	Philosophy Doctorate, Psyc.	Jonathan Wilbiks (PhD Co- Supervisor)	The dynamics of audio-visual integration capacity as a function of environmental difficulty, stimulus factors, and experience
2013	Philosophy Doctorate, Psyc.	Rajwant Sandhu (Comprehensive Committee)	Audio-visual integration
2012-2014	Philosophy Doctorate, Psyc.	Rajwant Sandhu (PhD Co- Supervisor)	Individual differences in attention: Exploring the impact on multimodal integration
2011-2012	Philosophy Doctorate, Psyc.	Niusha Ghazban (Comprehensive Committee)	Synchrony in mother-infant social interactions: A review of prenatal, postnatal and risk conditions
2011-2012	Master of Arts, Psyc.	Nicole Sugden (MA Supervisory Committee)	Typical, daily exposure to faces documented from a first-person perspective.
2011-2012	Master of Arts, Psyc.	Jonathan Wilbiks (MA Supervisory	Audio-visual integration in localization

		Committee)	
2010-2013	Philosophy Doctorate, Psyc.	Niusha Ghazban (PhD Co-Supervisor)	Emotion regulation in infants through maternal singing and speech
2011-2013	Master of Arts, Psyc.	Katlyn Peck (MA Supervisor)	Role of attractiveness in vocal mimicry
2011-2013	Master of Arts, Psyc.	Lisa Liskovoi (MA Supervisor)	Musical mood induction
2011-2015	Post-Doctoral Fellow	Steven Livingstone (PDF Supervisor)	Facial mimicry and emotional communication
2011-2016	Post-Doctoral Fellow	Paolo Ammirante (PDF Supervisor)	Enhancing perception of music in deaf and hard of hearing populations and ideomotor effects in pitch processing.
2011-2016	Philosophy Doctorate, Psyc.	Arla Good (PhD Supervisor)	The influence of song on group cohesion and prosocial behavior
2010-2016	Post-Doctoral Fellow	Naresh Vempala (PDF Supervisor)	Cognitively-Based Music Information Retrieval
2009-2012	Master of Arts, Psyc.	Rebecca Stein (MA Supervisory Committee)	The impact of synchronized tactile stimulation on joint attention in 11-month old infants
2009-2011	Master of Arts, Psyc.	Rajwant Sandhu (MA Supervisory Committee)	Multimodal Integration and Expertise
2009-2011	Master of Arts, Psyc.	Lucille McGarry (MA Supervisor)	Influence of movement on emotional response to music.
2009-2011	Master of Arts, Psyc.	Arla Good (MA Supervisor)	Efficacy of song in second-language instruction
2009-16	Philosophy Doctorate, Psyc.	Sarah Radtke (PhD Co Supervisor)	The allomothering hypothesis
2008-2010	Master of Arts, Psyc.	Kathleen Reynolds (MA Supervisory Committee)	Effect of changing alibi in court proceedings
2008-2010	Master of Arts, Psyc.	Karen Lau (MA Supervisory Committee)	Age-related differences in the survival recall advantage
2008-2011	Philosophy Doctorate, Psyc., Macquarie (Australia)	Paolo Ammirante (PhD Supervisory Committee; Adjunct Advisor)	Role of implied motion in melodic pitch perception

2008-2010	Master of Arts, Psyc.	Lisa Chan (MA Supervisor)	Role of facial mimicry in perception of vocal music
2008-2010	Master of Arts, Psyc.	Sami El-Sibaey (Practicum Supervisor)	Accuracy in self-assessment of musical competence
2007-2009	Master of Arts, Psyc.	Michael Maksimowski (MA Supervisor)	Feel the music: Crossmodal integration in music perception
2007-2009	Master of Arts, Psyc.	Gillian Sandstrom (MA Supervisor)	Musical valence and arousal in the undoing effect of positive emotions
2008-2009	Post-Doctoral Fellow	Yunfeng Wu (PDF Co Supervisor)	Classification of musically-induced emotion from electrophysiological signals
2007	Master of Arts, Psyc. (UT)	Lena Quinto (MA Supervisory Committee)	Audio-visual integration of phonemes in song
2006	Master of Arts, Psyc. (UT)	Donovon Ceaser (MA Supervisory Committee)	Visual influences on tonal perception

Supervision of Undergraduate Theses, Practica/Internships, and Independent Studies

2020	Bachelor of Arts, Psyc, Ryerson	Karla Kovacek (Practicum Supervisor)	TBD
2020	Bachelor of Arts, Psyc, Ryerson	Thalia Demas (Practicum Supervisor)	TBD
2020	Bachelor of Arts, Psyc, Ryerson	Aleksandra Maslocha (Practicum Supervisor)	TBD
2018-2019	Bachelor of Science, Psyc, U. Surrey, UK	Emily Scholey (Co-supervisor)	Understanding the relationship between entrainment and motor coordination in a neurotypical population
2018-2019	Bachelor of Arts, Psyc, Amherst College	Phuong-Nghi Pham (Supervisor)	Fulbright Fellow: Multisensory perception of rhythm in Deaf/HOH
2018-2019	Bachelor of Arts, Psyc, Ryerson	Emily Wood (BA Thesis Supervisor)	Exploring the relationship between musical training and speech-in-noise perception
2018-2019	Bachelor of Arts, Psyc, Ryerson	Joseph Rovetti (BA Thesis)	Functional Near-Infrared Spectroscopy as a Measure of Listening Effort in

		Supervisor)	Hearing-Aided Older Adults
2018	Bachelor of Arts, Psyc., Ryerson	Aria Khosravi (Practicum Supervisor)	Inhibitory devaluation of music
2017- 18	Bachelor of Music. Swarthmore (US)	Rachel Hottle (Internship Supervisor)	Prosocial effects of joint music making
2017- 18	Bachelor of Arts, Psyc., Surrey (UK)	Emma Scholey (Internship Supervisor)	Physiological responses to music in older adults with and without hearing loss
2017	Bachelor of Arts, Psyc., Ryerson	Samantha Fogel (Practicum Supervisor)	Influence of phonemic content on perception of sung interval size
2017	Bachelor of Arts, Psyc., Ryerson	Anh Nguyen (Practicum Supervisor)	Hearing loss database
2016- 17	Bachelor of Arts, Psyc., Ryerson	Rebecca Nurgitz (BA Thesis Supervisor)	Hearing Difficulty and Cognitive Load: Using Optical Imaging to Measure Listening Effort
2016- 17	Bachelor of Arts, Psyc., Ryerson	Domenica Fanelli (BA Thesis Supervisor)	Perception of Emotion in Music by Hearing-Impaired and Hearing- Aided Listeners
2016	Continuing Ed., Psyc., Chang School	Anthony Lomax (Independent Study Supervisor)	Preferred Levels of Pitch Correction on Pop Vocals
2015	Continuing Ed., Psyc., Chang School	Kyeong Won Sohn (Independent Study Supervisor)	Mechanisms of Emotion Regulation in Art and Music Therapy
2015- 2016	Bachelor of Arts, Psyc, York U.	Andrew Lauzon (BA Thesis Co- Supervisor)	Tracking the beat under auditory and vibrotactile conditions
2015- 2016	Bachelor of Arts, Psyc., Ryerson	Fran Copelli (BA Thesis Supervisor)	Multimodal engagement of the mirror neuron system
2014- 2015	Bachelor of Arts, Psyc., Ryerson	Saul Moshe-Steinberg (BA Thesis Supervisor)	Effects of choral singing on speech perception in noise
2014	Continuing Ed., Psyc., Chang School	Lisa Chisolm (Independent Study Supervisor)	Peripheral physiological measures in

2014-15	Bachelor of Arts, Psyc., Ryerson	Rachel MacPhail (Practicum Supervisor)	Pilot testing of new acting game to support emotional communication in Autism
2013-14	Bachelor of Arts, Psyc., Ryerson	Esztella Vezer (BA Thesis Supervisor)	Does a facial mimicry deficit contribute to emotion perception deficits observed in Parkinsonism
2012-13	Bachelor of Arts, Psyc., Ryerson	James McGrath (BA Thesis Supervisor)	Post-encoding effects of musical emotion on memory consolidation for text.
2012	Bachelor of Arts, Psyc., Ryerson	Jessica Mitchell (Practicum Supervisor)	Toronto Sound Map Project (database and literature review)
2011-2012	Bachelor of Arts, Psyc., UT	Margaret Loong (Independent Study Supervisor)	Effects of meter on perception of sung lyrics
2011-2012	Bachelor of Arts, Psyc., Ryerson	Christopher Lachine (BA Thesis Supervisor)	Individual differences in emotional response to popular music
2011-2012	Bachelor of Arts, Psyc., Ryerson	T. Defrancesco-Loria (BA Thesis Supervisor)	Effects of the urban soundscape on the focus of visual attention.
2011-2012	Bachelor of Arts, Psyc., Ryerson	T. Defrancesco-Loria (Practicum Supervisor)	Music perception
2010-2011	Continuing Ed., Psyc., Chang School	Michael Tward (Independent Study Supervisor)	Toronto Sound Map Project (pro-social behavior)
2010-2011	Bachelor of Arts, Psych., Ryerson	Vanessa Corpuz (BA Thesis Supervisor)	Mimicry and the honest signal hypothesis
2009-2010	Bachelor of Arts, Psych., Ryerson	Andrew Power (Practicum Supervisor)	Effects of reverberation on vocal recording in small rooms
2008	Continuing Ed., Psyc., Chang School	Hainan Huang (Independent Study Supervisor)	Psychophysiological correlates of perceived emotion in music
2008	Bachelor of Science, Oc. Public Health, Ryerson	Zizhen Lu (Independent Study Supervisor)	Impact of the background noise on preferred sound levels in personal stereo players.
2005-2006	Bachelor of Arts, Psyc., UT	Lena Quinto (Thesis Supervisor)	Audio-visual integration of emotion in song

2005-2006	Bachelor of Arts, Psyc., UT	Susan Zhu (BA Thesis Supervisor)	Visual influences on perceived interval size
2005-2006	Bachelor of Arts, Psyc., UT	Dominique Vuvan (BA Thesis Co-Supervisor)	Phonemic influences on perceived interval size
2003	Bachelor of Arts, Psyc., UT	Elena Raznovan (Independent Study Co-Supervisor)	Qualitative Study of Speech In Noise
2002-2003	Bachelor of Arts, Psyc., Queen's	Deborah Windell (BA Thesis Co-Supervisor)	Children's acquisition of absolute pitch
2001-2002	Bachelor of Arts, Psyc., Queen's	Tara Vongpaisal (BA Thesis Co-Supervisor)	Role of expectancy on processing difficulty
2000-2001	Bachelor of Arts, Psyc., Queen's	Jennifer Lee (BA Thesis Co-Supervisor)	Effect of high-level structure on the memory and cohesion.

Supervision of Other Highly Qualified Personnel (not including volunteers):

2019-2020	Undergraduate Research Assistant	Elizabeth Earle	Hearing Aid Choir Study
2018-	Research Coordinator	Kay Wright-Whyte	Research Coordination
2018-2020	Undergraduate Research Assistant	Karla Kovacek	Hearing Aid Choir Study
2018-2019	Undergraduate Research Assistant	Ifrah Zohair	Understanding Singing and Well-Being in Older Adults
2018-2019	Undergraduate Research Assistant	Mia Wallace	Understanding Singing and Well-Being in Older Adults
2017-18	NSERC USRA	Emily Wood	Influence of short-term vocal training on auditory brainstem response
2018	NSERC USRA	Joseph Rovetti	fNIRS and listening effort
2017	NSERC USRA	Joseph Rovetti	Auditory brainstem response and pitch perception
2016	High-School Co-op Student	Jessica Kwong	Research Project via the Foundation for Student Science & Technology
2016-	Lab Manager	Fran Copelli	Research Management

2015-16	Lab Manager	Monique Tardif	Research Management
2015-	Undergraduate Research Assistant	Domenica Fanelli	Choir research; Hearing aids and music emotion
2015-2016	Software Developer	Christine Murad	A dynamic emotion feedback system for music using audio, symbolic, and physiological features
2015-16	Undergraduate Research Assistant	Miruna Ioan	Choir research
2014-2015	Hearing Aid Technician	Heather Speakman	Optimizing hearing aids for speech intelligibility, sound quality and emotional speech
2013-	Lab Manager	James McGrath	Research Coordination
2014	NSERC USRA	Saul Moshe-Steinberg	Effect of hearing aid signal processing time on fidelity of the brainstem frequency-following response
2013	NSERC USRA	Deanna Choi (co-advisor)	Role of simulation in perception of emotion in speech and song.
2013-2015	Research Therapist	Laura Stinson	Singing Therapy for Parkinson's
2013-2015	Research Therapist	Mia Saadon	Singing Therapy for Parkinson's
2013	NSERC USRA	Eszteella Vezer	Emotional modulation of mirror-neuron system activity
2012-2013	Lab Manager	Tristan Loria	
2012-2013	Undergraduate Research Assistant	Salma Shaikh	Musically based mood induction
2011-2014	Undergraduate Research Assistant	Emma Bortolon-Vettor	EEG Mu suppression in song perception
2011-	Undergraduate Research Assistant	Mayson Edell	Influence of mimicry in emotion understanding
2011-	Undergraduate Research Assistant	Mia Saadon	Influence of mimicry in emotion understanding
2011-2012	Software Developer	Adam Golding	Liquid loops project with waveDNA
2010-2011	Undergraduate Research Assistant	Julia Kim	Vibrotactile music perception in deaf listeners
2010-2011	NSERC USRA	Amy Kleynhans	Effects of corpus size on recognition of melodies

2010-2011	Undergraduate Research Assistant	Sanjay Pathmanathan	Toronto Sound Map Project
2010-	Research Assistant	Lisa Liskovoi	Advancing Interdisciplinary Research on Singing (SSHRC) & Include Project (GRAND, NCE)
2009-2010	Undergraduate Research Assistant	Maddie D'Agata	Investigating the Honest Signal Hypothesis
2010-2012	Undergraduate Research Assistant	James McGrath	Cognitively Based Music Information Retrieval; Toronto Sound Map
2009-	Undergraduate Technical Assistant	Walid Ibrahim	Development of audio-tactile vest for use with infants
2009-2012	Research Engineer	Alex Andrews	Development of audio-tactile vest for use with infants; Signal Processing
2009	Undergraduate Research Assistant	Jahnvi Ramakrishnan	Development of database to assess induction of negative emotion with music
2008-2011	Undergraduate Research Assistant	Christopher Lachine	Tracking emotional response to music; Toronto Sound Map project
2008-2010	Undergraduate Research Assistant	Kathleen Suarez-Mason	Emoti-chair usability studies; Toronto Sound Map
2008-2009	Undergraduate Research Assistant	Krystian Wilk	Emoti-chair usability studies
2008	Undergraduate Research Assistant	Pedro Rego	Emoti-chair usability studies
2007-2010	Lab Manager	Gaberiel Nespoli	Coordinated projects and technology
2007	Undergraduate Research Assistant	Naomi Sklar	Audio-visual integration in perception of music.
2007-2008	NSERC USRA	Ahlexxi Jelen	Audio-visual integration in perception of sung music.
2006	Undergraduate Research Assistant	Madhu Pinto	Use of assistive technology in music production.
2006	Research Associate	Sina Fallah	Effects of the sound environment on conversational speech.
2005-2006	Undergraduate Research Assistant	Ramona Rouhani	Visual aspects of perceived interval size
2005-2006	Undergraduate Research Assistant	Deepa Tailor	Visual aspects of perceived tonality

2005-2007	Undergraduate Research Assistant	Helen Hannah Lee	Audio-visual integration in perception of sung music.
2005-2007	Technical Assistant	Dmitri Tcherbadji	Visual tracking of head and facial animation in song.
2004-2005	Technical Assistant	Vladimir Kosarev	Interval perception
2003	Undergraduate Research Assistant	Daniel Lai	Age-related differences in listening to speech in music

Examination of Graduate Theses (Non-supervisory contribution)

2018	MScM	Alison Whiting (Exam Committee)	Elements of Caption Quality: Determining the priority of qualitative closed caption elements
2017	PhD, Psyc, McMaster	Kathleen Einarson (External Examiner)	Beat perception and synchronization abilities in young children
2016	MSc, Physics, Ryerson	Joshua Lee (External Examiner)	Simultaneous Near Infrared Spectroscopy and Electroencephalography: A prospective screening tool
2016	PhD, Psyc., Dalhousie	Cindy Hamon-Hill (External Examiner)	Investigating a facilitative effect of mimicry on situated emotion recognition in naturalistic facial expressions
2016	PhD, Info. Studies, McGill	David Weigl (External Examiner)	Rhythmic information as a relevance criterion for Music Information Retrieval
2016	MSc, Comp.Sc., Ryerson	Somang Nam (Exam Committee)	Designing and evaluating a composition software interface with vibrotactile notation system
2016	PhD, Rehab. Sciences, Ottawa	Rida AlOsman (External Examiner)	A study of auditory speech processing using brainstem evoked responses under effects of perceptual auditory stressors

2006-	Founding Member	Centre for Interdisciplinary Human Factors Research, Ryerson
2006	Faculty Representative	Ontario Universities Fair, Arts, Ryerson
2006-07	Member	Graduate Committee, Department of Psychology, Ryerson; Development of OCGS Proposal for New Graduate Program, Psychology, Ryerson
2003-05	Post-Doctoral Representative	Council, Appointed by VP of Research as post-doctoral representative, University of Toronto at Mississauga
1997-00	Member	Senate sub-committee for Performing Arts, Queen's
1997-99	Member	Senate Committee for Fine Arts and Public Lectures, Queen's
1997-98	Grad Student Representative	Departmental Committee, Psychology, Queen's
1997-98	Member	Senate Committee for Scholar-Centred Computing, Queen's
1996-97	Member	Graduate Student Society Committee for Income-Contingent Loan Repayment, Queen's
1995-97	Grad Student Representative	Senate Committee for Information Technology, Queen's
1995-	Departmental	Graduate Student Society, Queen's

1997	Representative	
1991-92	Undergraduate Student Advisor	Academic Affairs, York
1990-92	Undergraduate Representative	Faculty of Arts Council, York

Professional and Community Service:

2020	Think Tank Member	Music and Brain Health, Global Council on Brain Health (AARP)
2019	External Tenure and Promotion Evaluation	Undisclosed University (CAN)
2019	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Brooklyn College, NY, NY
2019	Member-at-Large	Board of Directors, Canadian Society for Brain, Behaviour, and Cognitive Science (CSBBCS)
2018	Nominating Committee	Society for Music Perception and Cognition (SMPC)
2018	External Tenure and Promotion Evaluation	Undisclosed University (UK)
2018	External Tenure and Promotion Evaluation	Undisclosed University (USA)
2018	Scientific Review Board	3rd Conference of the Australian Music & Psychology Society (AMPS) incorporating the 5th International Conference on Music and Emotion
2017	Scientific Review Board	Society for Music Perception and Cognition (SMPC)
2017	External Promotion Evaluation	Undisclosed University (India)
2016	Board Member and Co-Founder	Singing with Parkinson's
2016	Session Co-Chair	Sounds of Emotion, Acoustics Week in Canada, Vancouver, BC
2016	Session Chair	Extra-musical benefits of music training, World Congress of Audiology, Vancouver, BC
2016	External Tenure and Promotion Evaluation	Undisclosed University (Ontario) x 2
2016	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Columbia University, New York, NY
2016	Scientific Review Board	World Congress of Audiology
2016	Session Chair	Acoustics and Psychophysics, Society for Music

		Perception and Cognition
2015	Scientific Review Board	Canadian Psychological Association Annual Congress, Brain and Cognitive Science Section
2015	Judge	Research Day, Toronto Rehabilitation Institute
2015	Program Committee	2 nd Conference of the Australian Music and Psychology Society
2015	Session Chair, Psych. Acoustics	Acoustics Week in Canada. Halifax, N.S.
2015	External Tenure and Promotion Evaluation	Two Separate Candidates at Undisclosed Universities (Ontario)
2015	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Ryerson University, Toronto, ON
2015	Scientific Review Board	16th International Society for Music Information Retrieval Conference
2014-2015	Scientific Review Board	Society for Music Perception and Cognition (2015), Vanderbilt University, Nashville, TN
2014-2015	Scientific Review Board	CPA Section on Brain and Cognitive Sciences
2014	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Ryerson University, Toronto, ON
2014	Session Chair, Psych. Acoustics	Acoustics Week in Canada. Halifax, N.S.
2014	External Tenure and Promotion Evaluation	Undisclosed University (Ontario)
2014	Session Chair	Emotion Session, Canadian Society for Brain Behaviour and Cognitive Science, Ryerson University
2014	Scientific Review Board	Hebb Student Award Committee, CSBBCS
2014	Scientific Advisory Board	International Congress for Music Perception and Cognition, Seoul, Korea (2014)
2013-2017	President	Canadian Acoustical Association
2013	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Ryerson University, Toronto, ON
2013-	Scientific Program Committee	Midwestern Music Cognition Symposium. Ohio State University (2013)
2012-2013	Local Chair	Fifth annual meeting of Advancing Interdisciplinary Research in Singing (2013), Toronto, ON
2012	External Tenure and Promotion Evaluation	Undisclosed University (Ontario)
2012-2013	ISO Committee Member	International Organization for Standardization (in preparation) Acoustics – Soundscape (TC43/SC1)

2012-2013	Conference Chair	Society for Music Perception and Cognition (2013), Ryerson University, Toronto, ON
2012	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Ryerson University, Toronto, ON
2012	Session Chair	Emotion Session, Canadian Society for Brain Behaviour and Cognitive Science, Queen's Univeristy
2012	Session Chair	Musical Acoustics. Acoustics Week in Canada, Banff, Canada
2011-2012	Scientific Program Committee	International Conference for Music Perception and Cognition (2012), Thessaloniki, Greece
2011	Session Co-Chair	Multimodal models of music performance. International Symposium on Performance Science, Toronto, ON
2011	Symposium Chair and Discussant	A Major Collaborative Research Initiative on Singing: Focus on performance. International Symposium on Performance Science, Toronto, ON
2011	Session Chair	Science of Singing. International Symposium on Performance Science, Toronto, ON
2011	Session Chair	Cognition Session. Canadian Society for Brain, Behaviour, and Cognitive Science
2011	Co-Organizer	Cognitively Based Music Information Retrieval (CogMIR) Seminar, Ryerson University, Toronto, ON
2011	Judge	Canada Wide Science Fair, National Finals, Toronto, ON
2010-2013	Cartographer	Coordinator of Music Cognition Labs Google Map, Society for Music Perception and Cognition
2010-2011	Election Nomination Committee Chair	Society for Music Perception and Cognition
2010-2011	Scientific Program Committee	Society for Music Perception and Cognition (2011), Eastman School of Music, Rochester, New York

2010	Session Chair	Musical Acoustics, Acoustics Week in Canada, Canadian Acoustical Association, Victoria, British Columbia
2010-2011	Scientific Program Committee	International Symposium on Performance Science, Toronto, Ontario
2010-2012	Board of Directors	Society for Music Perception and Cognition (Member-at-Large)
2009-2010	Scientific Program Committee	International Conference for Music Perception and Cognition, University of Washington, Seattle, Washington
2009	Session Chair	Music Perception Session, Acoustics Week in Canada, Canadian Acoustical Association, Niagara-on-the-Lake, Ontario
2009	Session Chair	Pitch Perception Session, Society for Music Perception and

		Cognition, Indianapolis, Indiana
2009	Scientific Program Committee	IEEE TIC Science and Technology for Humanity Conference: Symposium on Human Factors
2009-2016	Member	Executive and Steering Committees, Advancing Interdisciplinary Research in Singing, SSHRC MCRI
2008-2009	Scientific Program Chair	Acoustics Week in Canada, Canadian Acoustical Association, Niagara-on-the-Lake, Ontario
2008-2009	Scientific Program Committee	Society for Music Perception and Cognition Conference, Indianapolis, Indiana
2008-2012	Member	International Ergonomics Association, Auditory Ergonomics Technical Committee
2008-2012	Awards Coordinator	Canadian Acoustical Association
2007-2012	Board of Directors	Canadian Acoustical Association
2007	Session Chair	Hearing Sciences, Acoustics Week in Canada: Meeting of the Canadian Acoustical Association, Montreal, Quebec
2005	Registrar	Society for Music Perception and Cognition Conference, Neurosciences Institute, San Diego, California
2004	Session Chair	Pitch Perception Session, International Conference on Music Perception and Cognition, Northwestern, Chicago
2002-2003	Scientific Program, Assistant Chair	Society for Music Perception and Cognition Conference, UNLV, Las Vegas, Nevada
2003	Session Chair	Timbre Session, Society for Music Perception and Cognition, Las Vegas, Nevada
2003	Representative (Post Docs)	First Annual Meeting of Strategic Programs, Canadian Institute of Health Research, Toronto, ON
2001	Student Member of Local Organizing Committee	Program Layout and Technical Support: Meeting of the Society for Music Perception and Cognition, Queen's University
2000	Student Representative	SMPC Information Kiosk: Musical Intersections Conference, Toronto, Ontario

Non-Academic Professional Activity:

2019-	Chief Science Officer	ImmersX: Body immersive technology
2018-	Scientific Advisor	The LUCID Project: Enhanced music for stress regulation https://www.thelucidproject.ca
2017-	Co-Founder	Singing with Parkinson's: Registered non-profit/charity (prev. Parkinson's Choir) http://singingwithparkinsons.com
2016-	Co-Founder, Chief	Emoteplay: Producer of "Big Break: The Acting Game"

	Science Officer	http://emoteplay.com
2015-18	Advisory Board	Next Integrative Minds Life Sciences Ltd. https://www.nextltd.com
2009-	Scientific Advisor	Centre for Music Education and Cognition https://www.linkedin.com/company/centre-for-music-education-&-cognition/about/
2004-2005	Consultant	U.S. Department of Transportation, Volpe National Transportation Systems Center, Boston, USA
2001-2004	Research Associate	Transys Research, Kingston, Canada
1991-1993	Psychiatric Social Worker	Canadian Mental Health Association
1987-1989	Co-Founder and Co-Director	Soft Express (Software Customization and Mail Order Retail)

Public Outreach:

July 3, 2019	Get the most out of your hearing aids	Information session for hearing aid users to learn about optimizing use of devices and the latest R&D in hearing aids.
2017-	Big Break: Singing and Drama Camp	Design and coordination of summer camp in collaboration with Geneva Centre to support emotional communication in teens with Autism
June 28, 2017	Spring Celebration	Concert and discussion of research featuring 50+ choir
May 13, 2017	Mind Games, Science Rendezvous	Coordination of Exhibits for Psychology, Dundas Square
May 8, 2016	Mind Games, Science Rendezvous	Coordination of Exhibits for Psychology, Dundas Square
December 13, 2015	Cookies and Carols	Holiday concert featuring research-based choirs (Parkinson's and 50+)
November 7, 2015	Sonic Magic	Panel discussant for world premiere of CBC documentary on the Science of Sound. Ontario Science Centre.
September 11, 2015	Parkinsons Choir Concert and Fundraiser	Coordinated fundraising event for community-based choir that was based on lab research. 100+ attendees.
June 3, 2015	50+ Festival: SMARTLab Singers	Coordinated panel and performance re: age-related hearing loss and music activity.
May 9, 2015	Mind Games, Science	Coordination of Exhibits for Psychology

	Rendezvous	
Apr 16, 2015	World Voice Day: SMARTLab Singers	Inaugural public performance of choir established to mitigate age-related hearing loss.
April 9, 2015	Journalism in a Distracter World: Panelist for Live Online Chat	Discussion on journalism in an age of smartphones, social media and speedy responses
June 16-17, 2014	Nuit Blanche, London, ON	VibraFusionLab (Emoti-chair) demo at Museum London with CLT and David Bobier
June 11 – October 26, 2014	Ontario Science Centre	Consultation for The Science of Rock 'N' Roll exhibition.
May 10, 2014	Science Rendezvous	Neural Oscillations Exhibit
May 11, 2013	Science Rendezvous	Discovering the Urban Soundscape
May 14-16, 2012	OCE Discovery 2012, Metro Convention Centre Toronto	Baby-vibe and Emoti-chair. Innovation exhibit sponsored by Ontario Centres of Excellence as Part of Advanced Health Showcase
May 12, 2012	Science Rendezvous	Discovering the Urban Soundscape
May 8, 2012	Ryerson International Foreign Universities Tour	Emoti-Chair Demo
March 22, 2012	Art Showcase and Music Recital, 627 Queen St. W.	Fundraiser and talent showcase featuring students from our children with cochlear implant music training study
Feb 27-29, 2012	Vibrotactile Weekend	Public workshop at the UnLab, Western University
April 28, 2011	Royal Canadian Institute (RCI) for the Advancement of Science	Invited Table Host at Annual Gala
May 9-27, 2011	Lunar Vibrations: A Blind/Deaf Collaboration. Glasgow, Scotland	Exhibition of long-listed entry for the Helen Keller International Award (with Artists Maayke Schurer, Wanda Diaz Merced, and Gwen Dobie)
May 7, 2011	Science Rendezvous Toronto, ON	The Toronto Sound Map
Feb 17, 2011	Pimp my school: A gig for the kids	Benefit concert featuring the Emoti-chair to support renovation of a schoolhouse in Puerto Lopez (Ecuador).
Nov 11, 2010	Vibe arm-rest demonstration. Toronto, ON	Ontario Science Centre. Part of TEDx-IBYORK
Oct 2, 2010	VIBES! Feel it! Nuit Blanche, Toronto, ON	Deaf Culture Centre, SMART lab and CLT produce vibe concert featuring collaboration between deaf and hearing artists.
Aug 25, 2010	"Live at the Lab"	A concert/experiment featuring the 'Dufraines'

	Ryerson University, Toronto, ON	exploring sound quality in recordings made with and without a studio audience.
June 14, 2010	Regent College, UBC, Vancouver, Canada	Opera Concert for the Deaf and Hard of Hearing
May, 2010	Mayfest: Deaf Awareness/Cultural event Toronto, ON	Emoti-chair exhibition
May 15, 2010	OCE Discovery 2010, Toronto, ON	Emoti-chair demo. Innovation exhibit sponsored by Ontario Centres of Excellence
May 8, 2010	Science Rendezvous Toronto, ON	Music and Emotion
May 1, 2010	Indigo Bookstore, Eaton Centre, Toronto, ON	Science Rendezvous Promo Event featuring Emoti-Chair
Apr 10-15, 2010	International Conference on Advances in Computer-Human Interactions. Atlanta, Georgia	Emoti-chair as part of the CHI media showcase
Mar 13, 2010	Organic Evolution, Toronto, ON	Public concert featuring new musical instruments and interfaces
Mar, 2010 – Mar, 2011	Deaf Culture Centre, Toronto, ON	Interactive vibe-arm installation: Innovation Exhibition (over 12,000 visitors)
Nov, 2009 -	Rumball Centre for the Deaf, Toronto, ON	Interactive emoti-chair installation
Oct 24, 2009	X Avant New Music Festival, Music Gallery, Toronto, ON	Concert with Array Music at the Music Cathedral featuring world premiere of vibrotactile compositions for Emoti-chair
Oct 15, 2009	Canadian Acoustical Association, Niagara-on-the-Lake, Canada	Emoti-chair demonstration featuring Straight-No-Chaser (Jazz Quintet)
Sep 24, 2009	Simcoe Muskoka Deaf Access Centre, Barrie, Canada	Emoti-chair demonstration and Presentation at the Annual General Meeting
Aug 4, 2009	Yonge-Dundas Square, Toronto, ON	Emoti-chair demonstration; “Movies in the Square” featuring Cast Away (20 th Century Fox)
July, 2009 -	Side-Show Café, 1300 Gerrard Street E., Toronto, ON	Permanent emoti-chair installation
Jun 8-9, 2009	Canada 3.0 (Defining Canada’s Digital Future), Stratford, Canada	Invited exhibition
May 23, 2009	Rumball Centre for the Deaf, Toronto, ON	Invited to participate as part of the Centre’s Doors Open Toronto Exhibition

May 20, 2009	Yonge-Dundas Square, Toronto, ON	Concert demonstration; “Serenades in the Square” featuring Jason Padaja (Pop)
May 13, 2009	Yonge-Dundas Square, Toronto, ON	Concert demonstration; “Serenades in the Square” featuring Alejandra Ribera (Alt-Pop)
May 6, 2009	Yonge-Dundas Square, Toronto, ON	Concert demonstration; “Serenades in the Square” featuring Shannon Butcher (Pop/Jazz)
Mar 25, 2009	Helen Keller Centre, Toronto, ON	Invited demonstration
Mar 5, 2009	Clinton’s Tavern, Toronto, ON	World’s first rock concert accessible to the deaf and hard of hearing
Oct 9, 2008	Ontario Science Centre, Toronto, ON	“Feel the Music.” Public launch of the emoti-chair with remarks from VP Research & Innovation and President (Ryerson)
Sep, 2008 – Feb, 2009	Ontario Science Centre, Toronto, ON	Emoti-chair used as part of multimedia exhibit: “On Thin Ice”
Apr 29-30, 2008	Rumball Centre for the Deaf, Toronto, ON	Invited demonstration
Feb 21, 2008	Multi-modal Art Expo, v2, Rotterdam, Netherlands	Invited exhibition
