

Faculty of Science
SCI999 - Research Practicum - Application Form

Instructions:

This form is to be completed by a student who wishes to be enrolled in SCI 999 - Research Practicum.

- 1- The Student and Supervisor fill out Sections A and B, respectively, and sign and date.
- 2- The Supervisor fills in the SCI999 Course Outline Template, and discusses it with the student.
- 3- The Student delivers or mails the completed application form and course outline to Alina Velieva (alina@torontomu.ca) at 285 Victoria St. , VIC 743, First Year Science Office for approval.
- 4- Alina Velieva will enroll the student after the Associate Dean signs as the Course Coordinator.
