

Graduate Studies in Computer Science (MSc & PhD)
Seminar Review Form

The student is required to attend departmental seminars on current research in the specialization fields and emerging areas of computer science. Presentations will be given by graduate students, faculty members, visiting scholars and guest speakers. Each student is required attend a minimum of ten publicly-announced seminars and to give one oral presentation on his/her research work. This form should be submitted with the Progress Report for the term in which the seminar took place.
