

# International Student Days

## Special Tours Stops

**Wednesday, February 20 & Thursday, February 21, 2019**

All school groups will be taken on a guided campus tour during International Student Days. In addition, teachers and guidance counsellors are encouraged to request 1 or 2 special tour stops by February 6, 2019. Special tour stops will be booked depending on availability. Below is a list of possible stops. You are welcome to request other stops depending on the interests of your group.

**Sheldon and Tracy Levy Student Learning Centre (SLC):** Take a full tour of our award-winning [Student Learning Centre](#). See eight-floors of unique spaces to collaborate and study. **(30-45 minutes)**

**Ryerson Image Centre (RIC):** Explore professional photography exhibits at the RIC. You'll hear an introduction by gallery staff and have time for individual exploration. You can [learn more about the exhibits](#) online. **(35-45 minutes)**

**Real Institute:** Take a tour of the [Real Institute](#), home to Ryerson's English as an Additional Language programs. This bright 30,000 square feet space recently won a Value of Design Award for Innovation for its technology-rich and multi-use space that emphasizes student experience and comfort. **(30 minutes)**

**Ted Rogers School of Management (TRSM):** Take a tour of Canada's leading diverse, entrepreneurial business school centred in an urban learning environment. [TRSM](#) is home to 10,000 students and 250 industry-connected faculty. **(30 minutes)**

**Mattamy Athletic Centre (MAC):** Visit the former home of Maple Leaf Gardens and an important site in the history of Toronto. The [MAC](#) is an open gym for Ryerson students, home for varsity sports, and an academic space for Sports Media students. **(20-30 minutes)**

**Ryerson Library & Archives:** Enjoy a slideshow on the history of Ryerson and learn more about the resources available for Ryerson students through the [Library](#). **(20-25 minutes)**

**Digital Media Experience (DME) Lab:** Drop by [Ryerson's makerspace and digital literacy lab](#). Students will discover the technology and equipment available to Ryerson students. **(20 minutes.)**

**Ryerson Zone Learning:** Learn more about [Ryerson's 10 zones](#). With a focus on experiential learning, each zone focuses on a specific industry and offers students the resources to develop ideas and startups. **(30 minutes.)**
