**NOTES REGARDING COURSE CHANGES**

CHIM 403 Managerial Accounting and Finance	As of the Fall 2017 term this course will no longer be offered. HIM students admitted prior to Fall 2017 who have this as a required part of their curriculum should take CHSM 407 Healthcare Financial Management instead and will need to fill out a Course Substitution form (found at: <a href="https://www.ryerson.ca/curriculum-advising/curriculum-exceptions/course-substitution/">https://www.ryerson.ca/curriculum-advising/curriculum-exceptions/course-substitution/</a> ). Once the form is submitted to the Program Department for signature, it is submitted internally to Curriculum Advising to be processed. Students should see the substitution applied to their Academic Advisement Report within a week or so.
CHIM 405 Issues in Health Information Management	After Spring 2017 CHIM 405 will no longer be available. Students who are not able to take CHIM 405 in Spring 2017 will need to consult with the Department for a suitable substitution.
CHIM 302 Health Information Systems Management	After F2020 CHIM 302 will no longer be available. Students can use HIM 305 as Course Substitute (Core course as of 2020-2021)
CHSM 306 Management, Leadership, Decision Making	After W2020 CHSM 306 will no longer be available. Students can use CMHR 640 as Course Substitute (Pre-requisite CHSM 305/CHIM 300)
CHIM 300 Managing Health Information Services	This course will no longer be offered. Students can use CHSM 305 as a course Substitute
