

# FINAL EXAM PLANNING INVENTORY

Fill out this chart for each final exam that you will have to write.

Course: \_\_\_\_\_ Date of Exam: \_\_\_\_\_ Location: \_\_\_\_\_ Time: \_\_\_\_\_

List material to be covered on exam. Include content, formulae, etc. (Consider: is the exam cumulative, or covering content since the midterm?)	<input checked="" type="checkbox"/> I know this	<input checked="" type="checkbox"/> Need to learn this	<input checked="" type="checkbox"/> Need to review this	Additional material or support needed?	Where will I get the material to learn this?	Time needed to study (overestimate by 1.5 times)
