**A world-class
design school**

**with a strong
future vision**

Create inspiring spaces for an equitable and sustainable future.

The Interior Design program combines professional development and applied learning to prepare you to become a leader in the design industry. Gain an understanding of all aspects of the interior environment for corporate, residential, retail and hospitality, with a focus on health, wellness, inclusion and sustainability. Accredited by the Council for Interior Design Accreditation (CIDA) and with a required internship, the program's graduates are industry leaders dedicated to creating inspiring spaces for an equitable and sustainable future.

PREPARE FOR THE DESIGN INDUSTRY

Design projects based on real-world problems and contemporary issues and participate in world-leading research. Learn how to use cutting-edge technology to develop your creative ideas and produce functional and inspiring solutions.

Specialize in emerging paradigms of the interior, like digital fabrication, social justice, sustainability, design for the metaverse and more. Work with dedicated and experienced professors to learn how to be tomorrow's leaders.

REAL-WORLD EXPERIENCE

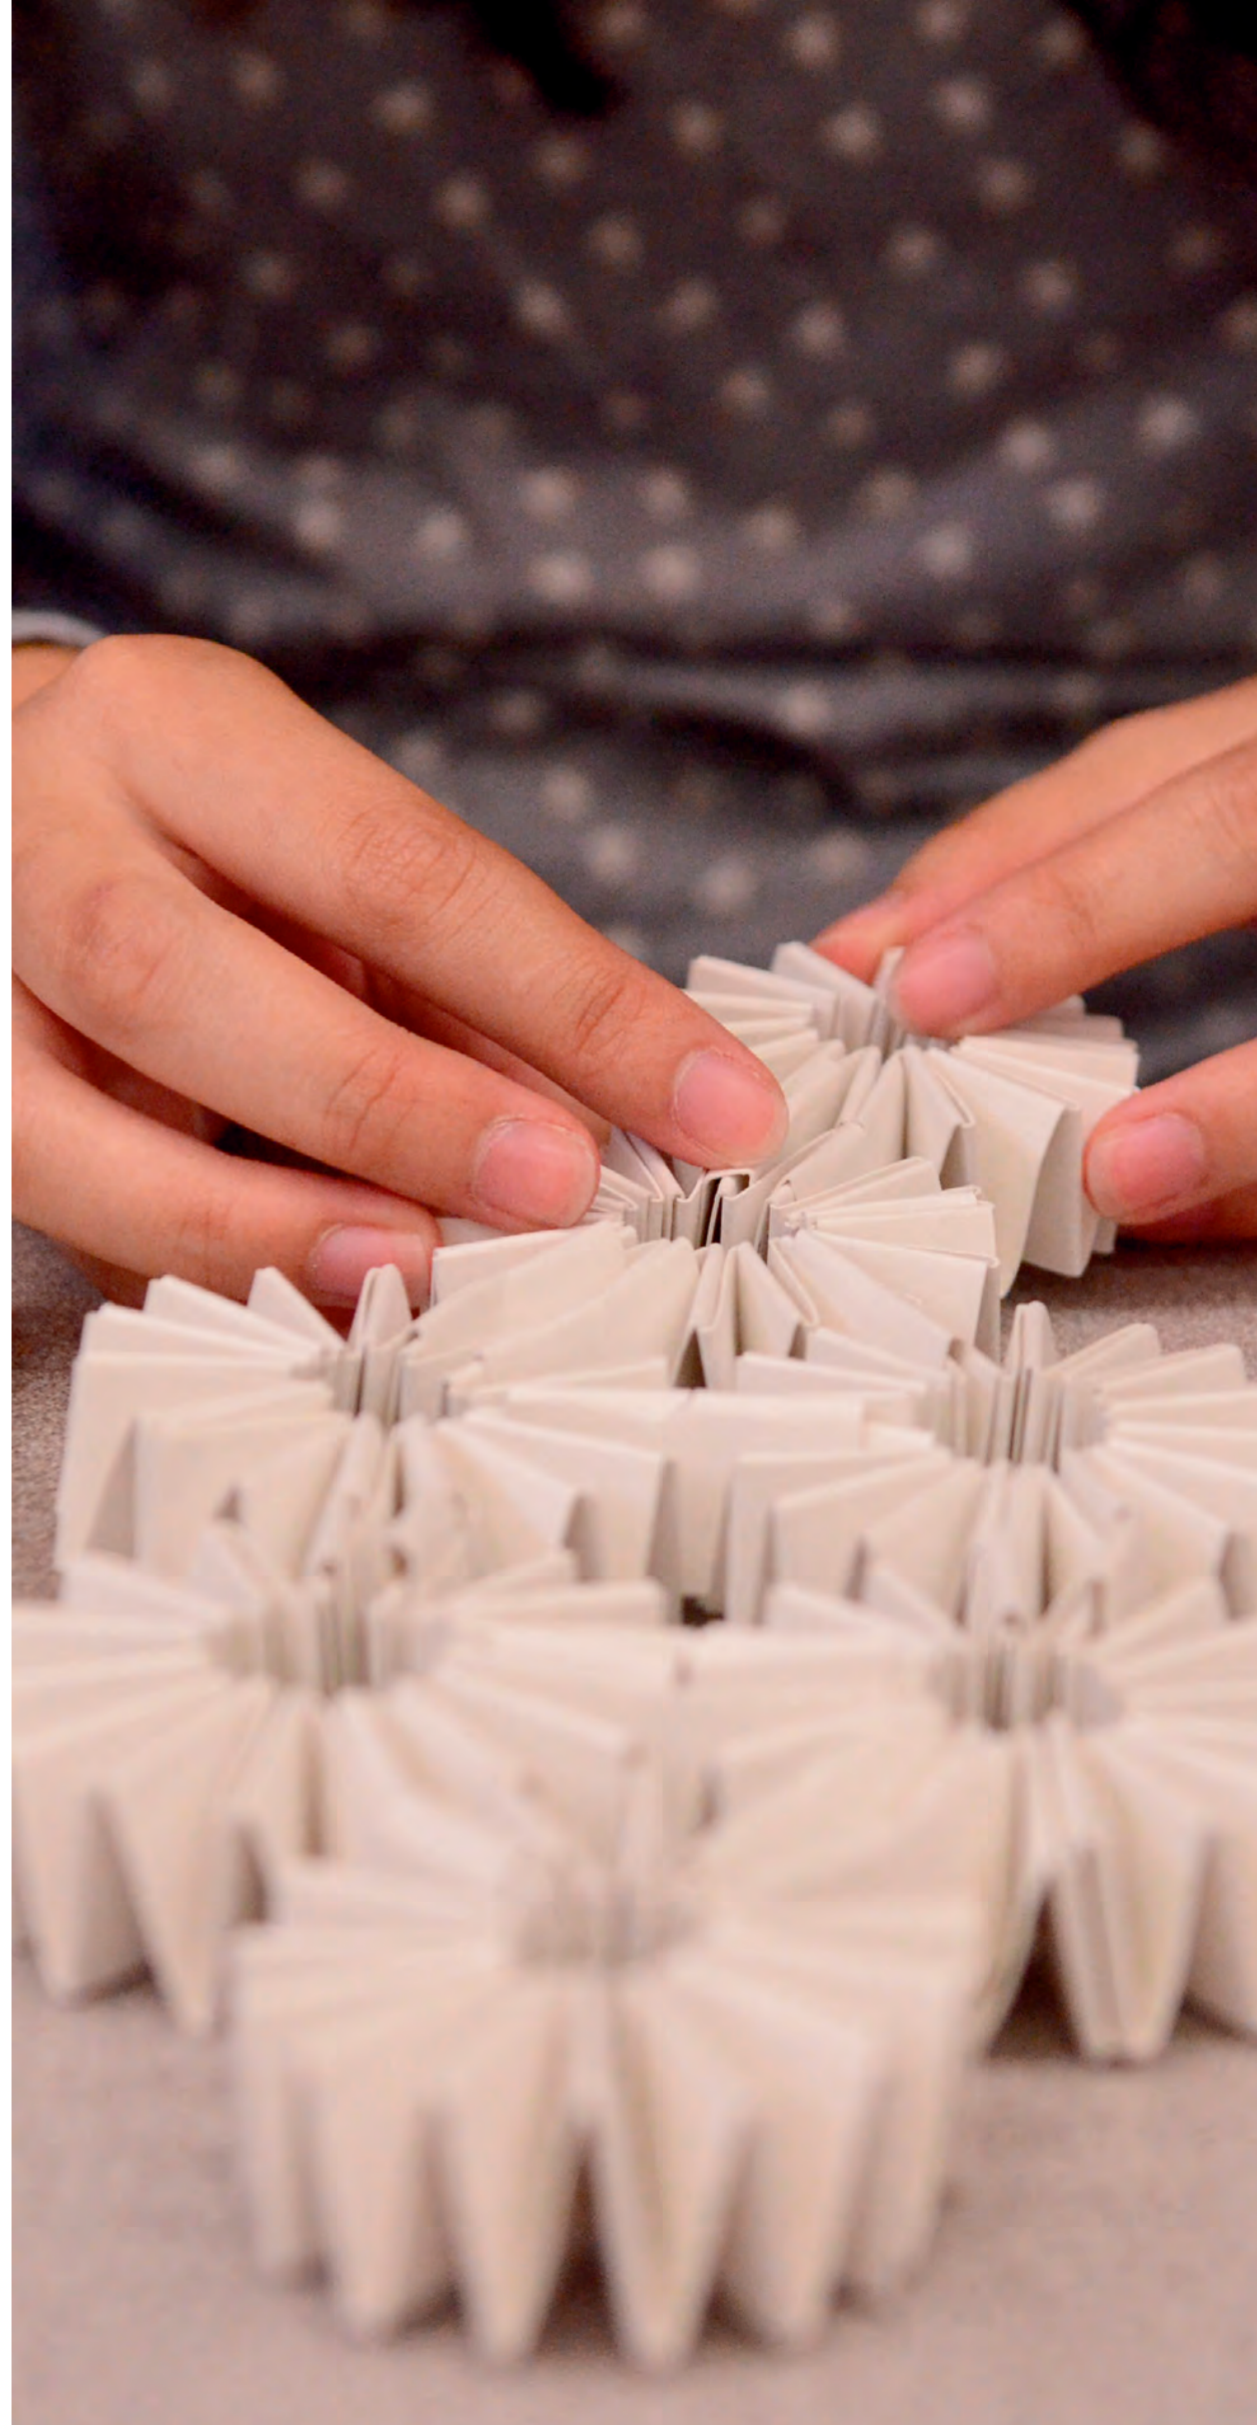

Gain real-world experience and industry connections through internship opportunities with leading design companies, field trips, volunteer placements, design competitions, public lectures, symposia, and exhibitions. Collaborate with students in other disciplines and engage with our network of industry leaders.

FUTURE-FOCUSED SKILLS

Develop your expertise in advanced design software including 3D rendering, virtual reality and environmental simulation. Access a world-leading digital fabrication facility that houses robotics, 3D printing, laser cutting, CNC milling, textile computing, and robotics as well as traditional woodworking shops, ceramics facilities, and a materials library specifically curated for interior design.

GLOBAL OPPORTUNITIES

Gain a broader perspective through a summer intensive in Cortona, Italy, or spend a semester studying abroad on an exchange with one of our various university partners. Take in the design energy of London, the artistic style of New York or the cultural richness of Italy to enrich your experience and hone your style.

BACHELOR OF INTERIOR DESIGN

You Belong Here

As an Interior Design student, you'll be part of The Creative School, a dynamic faculty offering 27 degree programs in media, design, and creative industries that are shaping the future of their fields. As a disrupter in innovative education, The Creative School is where you come to learn, transform and reimagine everything you thought was creative. Through countless transdisciplinary opportunities, you'll become a leader in creative innovation who disrupts the conventions of your profession and expands what is possible. At The Creative School, students enjoy a global experience in the heart of downtown Toronto, developing their talents to emerge as some of the most in demand and employable graduates anywhere.
