

# WRAP-UP Questions

1. What struck you most about the day? What was the most interesting or inspiring thought you will take home after this symposium?
2. Where do you see the biggest knowledge or information gaps?
3. What Dutch/Amsterdam solution/method/research you think would be suitable for Toronto/Canada and vice versa?
4. What part of this symposium will you use in your professional career and in what capacity / what role would you have?
