DRIVING INNOVATION IN THE LEGAL WORLD SINCE 2015

Supporting our Community of Legal Startups

Our entrepreneurs continue to advance legal innovation in Canada and around the world.

20 New Products

13 New Services

17 New Process Improvements

58 New Jobs Created

1000 New Customers around the world

Promoting Change for Consumers of Law

Our initiatives challenge all stakeholders to think about innovative ways to make Canada's legal and justice system smarter, faster and better. This year we hosted:

AI Legal Challenge

Legal Innovation Bootcamps

Youth Access to Justice

Global Family Justice

Establishing and Nurturing Partnerships

Our partnerships have allowed us to demonstrate the impact of technology in the legal industry as well as to spread our expertise throughout the world. Special appreciation goes to:

Ministry of the Attorney General

Osler

Law Foundation
